We note the following in an exchange relative to a good natured resident of Glen Rock, the home town and present residence of our former townsman "Timmy" Brown. We are indeed sorry that Mount Joy does not have a few men like Mr Shewell, especially at this time. "Jesse Shewell, of Glen Rock,

Even the voting of a two and onehalf million dollar good road loan for York county could not faze Shewell. The rents of his houses remain the same as ever."
