LODGES THINK WELL OF NEW SECURITY

Many Orders Investing Fund in Quick Redeemable Treasury Saving Certificates.

Among the fraternal organizations in the Third Federal Reserve District which have been investing their lodge funds in the new U. S. Treasury Saving Certificates are the Knights of Malta, Knights of Pythias, Improved Order of Red Men, Patriotic Order Sons of America, Jr. Order United American Mechanics, Foresters of America, and Order of Independent Americans. There are about 3500 lodges in the 60 Pennsylvania, New Jersey and Delaware counties of the Third District and the War Savings Division has been interesting them in the advantages, from the lodge standpoint, of placing their funds in this new government security.

Many letters have been received from officers of lodges endorsing the certificates as the ideal investment for lodges. A trustee of one of the most prominent Knights of Pythias lodges in Pennsylvania said he considers the issuance of the certificates one of the biggest things the War Savings Division has achieved.

These certificates exactly fit the needs of lodges," said this trustee. "Their absolute safety coupled with high interest rate and speedy redemption privilege make them the most attractive investment I know of for the funds of any organization which requires to have a string to its money so that it may be quickly recalled in case of emergency."

Treasury Saving Certificates are issued in the denominations of \$100 and \$500. Any sum up to \$1000 can be invested by a lodge in one year. The certificates are being sold in October at the rate of \$84.20 per \$100. If held until January 1, 1924, they will be redeemed at full face value, \$100, or multiples thereof. Should a lodge need its money back at any time, its certificates will be redeemed upon 10 days notice at full cost plus 3 per cent interest. The value and interest are guaranteed by the United States Government. They are not subject to market fluctuations.

Certificates are obtainable at post offices and at all incorporated banks and trust companies. The War Savings Division, 1431 Walnut street, Philadelphia, will supply further information upon request.

It is said that exposure to weather causes greater destruction to farm implements than using them. Avoid this loss by storing all machinery and tools properly under shelter before winter sets in.

Fumigate beans to prevent damage from weevil. For directions apply to the Bureau of Plant Industry, Department of Agriculture, Harrisburg, Penna.

WANTED—Men or women to take orders for genuine guaranteed hosiery, full line for men, women and children. Eliminates darning. We pay 50c an hour spare time or \$24 a week or full time. Experience unnecessary. Write International Stocking Mills, Norristown, Pa. oct.8-8t-pd.

RURAL CARRIER'S AUTO DESTROYED BY FIRE

Joseph Habecker, the rural delivery carrier from the Marietta postoffice, had a most miraculous escape from burning when the automobile he was driving caught fire.

Mr. Habecker was running leisurely along the route near the Christian Lease farm, in East Donegal township, when the blaze started. It is believed that a pipe under the car parted. In a moment the car was in flames, and he barely had time to get out and save the mail. He was running slow at the time, and could bring the car to a stop immediately. The car was a total wreck, and insured in the Donegal and Conoy Mutual Fire Insurance Company of Marietta. People who saw the blaze quickly responded, but their assistance was too late as the fire was beyond control. It was very fortunate that the car was stopped away from buildings.

Government Opens Retail Stores. No more orders for surplus war materials will be taken at post offices. The U. S. Government has opened twenty-four retail stores throughout the United States where these articles may be bought over the counter or from which they may be ordered by mail. The nearest store for this locality is at Philadelphia. Orders can be sent by mail, accompanied by cash, money orders or certified checks, and the goods will be mailed direct to the purchaser in the same manner as if it were ordered from a catalogue house.

Among the articles for sale are army blankets, boots, leggings, overalls, socks, towels, undershirts, gloves, tooth brushes, etc. For a complete list and prices see poster in post office and other business places in town.

Keller-Gantz. Ross L. Keller, son of Mr. and Mrs. F. H. Keller, of Elizabethtown, and Miss Hulda B. Gantz, daughter of Mr. and Mrs. Daniel Gantz, of Milton Grove, were married Sunday morning, at the parsonage of Christ Lutheran church, Elizabethtown, by the pastor, Rev. Frank Cronan. They were attended by Robert B. Keller, a brother of the groom, and Miss Emma G. Bachman, of Bachmanville. The ring ceremony was used. Following the ceremony a wedding breakfast was served at the home of the bride's parents, after which Mr. and Mrs. Keller left on a wedding trip to Okara, N. Y., and Niagara Falls. On their return they will reside at the home of the groom's parents.

Would This Suit You? I have the 7-room house of Mr. Elmer Heisey, on Fairview street for sale. Here's a cheap home and its No. 1 condition. The price is right for an immediate sale. Present owner will transfer at once and pay rent.

Corn is a splendid crop in Pennsylvania and is out of reach of damage by frost. Some farmers have held back on seeding wheat to avoid the Hessian fly. Potatoes are better than an average crop but some complaint from rot in different parts of the States.
