

# PRINCE ALBERT

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing by the pike with your smokethrottle wide open! Talk about smoke-sport! Quality makes Prince Albert so

appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokeappetite!

You buy Prince Albert everywhere tobacco is sold. Toppo, red bags, tidy red tins, handsome pound and half pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moisture top that keeps the tobacco in such perfect condition.

## FUMBLE LETS OBERLIN DEFEAT MOUNT JOY

A fumbled ball in the closing minutes of play let Oberlin defeat the Mount Joy football team in a game here Saturday by a score of 7 to 0. The score came when there was but two and one-half minutes of the game left to play, and after the teams had battled to a scoreless tie.

Kramer, left half back on the Mt. Joy team, fumbled the ball. The play was on Mount Joy's fifteen yard line, where they had gained possession of the ball after Oberlin had kicked. Kramer backed the line hard and the oval slipped from his grip.

Dustin, right guard on the Oberlin eleven, swooped down on the ball, and before he could be downed he had planted it behind the Mount Joy goal posts. Shuley kicked the goal.

Mount Joy made a desperate attempt to break even in the minutes that remained. They recovered the kick, and on successive forward passes advanced about forty yards before the final whistle ended the game. Ellis to Barr was the combination that worked well on forwards for the home team.

The Mount Joy team had the visitors completely outplayed. In the first period Ellis fumbled the ball half a yard from the visitors' goal. In the third period Mt. Joy again fumbled on Oberlin's ten yard line. All these games were made by good, hard, consistent playing.

## A MOUNT JOY LADY IS TEACHING IN OREGON

Some weeks ago W. D. Chandler received a letter from his daughter, Miss Verna C. Chandler, who is teaching school at Sumner, Coos Co., Oregon. In the letter Miss Chandler described her situation, and environments and remarked that the place had no church nor Sunday school. In replying to the letter Mr. Chandler suggested that she and her assistant teacher start a Sunday School. Sumner is situated in the heart of a lumbering camp. Last week Mr. Chandler received a letter from his daughter and allows us the privilege of printing the following extract bearing on the subject. "One of our pupils suggested that Miss McCormick and I start a Sunday School. We had been thinking of doing so and then papa's letter came suggesting the same and Thursday a Mr. Walker came to the school house to see us and he was here in the interest of Sunday Schools and asked our support. We agreed to help. He canvassed the community and we announced in school a meeting for that night. We met at the chapel, a little dirty building situated below the school house. Mr. Walker conducted a service, then told his object and had the people vote for officers. I was elected superintendent and Miss McCormick assistant superintendent. Yesterday, Saturday Miss McCormick and I, went to the village and cleaned the chapel. Some of the children came and helped us. I scrubbed the pulpit platform on my hands and knees and we scrubbed the rest of the floor with brooms. We will have our first service next Sunday when we expect to have lesson papers and song books. So far we have no one to teach the adult Bible class, but I have a man in mind that I think will take it. Will write you later of our plans and how we are getting along in our life in the lumbering camp district, a Ralph Coner story, perhaps."

## Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Goddard, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. FLORENCE ISELLA, Box 197, North Haven, Conn.

## The Whole Secret of A Better Tire

Simply a Matter of the Maker's Policies

This you will realize—once you try a Brunswick—that a super-tire is possible only when the name certifies that the maker is following the highest standards.

For tire making is chiefly a matter of standards and policies—cost plus care. Any maker can build a good tire if he cares to pay perfection's price.

All men know Brunswick standards, for Brunswick products have been famous for 74 years.

Formulas, fabrics and standards vary vastly in cost. Reinforcements, plies and thickness are a matter of expense. And these variations affect endurance. It rests with the maker how far he wishes to go—how much he can afford to give.

For there are no secrets nor patents to hold one back.

To ascertain what each maker offers one must analyze and test some 200 tires—as our laboratories have done.

Then it is a matter of combining the best features and building according to the highest standards.

Once you try a Brunswick you will understand how we have built model tires, regardless of factory expense.

Yet Brunswick Tires cost you the same as other like-type tires. Our saving is on selling cost, through our nation-wide organization.

We realize that you expect more from Brunswicks, and we assure you that you get it. ONE Brunswick will tell you the story.

And then you'll want ALL Brunswicks. No other tire, you'll agree, gives so much for your money.
