In mingling among and studying the good people of our neighborhood in order that I might be better able to perform my daily task, I will enumerate some of the fine qualities of the people as I have found them and you see whether you will know who's who?

The man of fewest smiles. Our most intelligent neighbor. Our man of snap, grit and push. Our most religious man. Our most hearty laugh.

The one who's rather slow but sure. The most honest man in every detail. The man who walks the straightest path.

Our most modest young man in every respect. Who among us is the most witty and humorous? The man who has a smile for every one he meets.

Who is our ideal neighbor and a model husband? Who is our most leisure man and has much time for prophesy? Who is the man of fewest words and has much charity for all?

Who is our modest neighbor of whom we all have a word of praise? Who is our most independent farmer and always has his work done? Who is our most agreeable and entertaining neighbor except when a market drops?

The man without troubles and is often heard singing and seems to take life as a joke. Who is our most progressive and up-to-date farmer, and whose word is as good as gold?

Who is the man in our neighborhood who was never heard to say an unkind word about anyone? Who is it that always looks on the bright side of life and has learned to take things by their smooth handle?

MERRY XMAS

A Men's Store for Women

EVERY year we hear the same old story about the wife who bought her husband a many-colored tie for a present and then expected him to wear it and have a Merry Xmas.

Evidently that woman didn't live in this community. It's been our experience that it's the women who make the best selections. That's one of the reasons we've turned this men's store into a store for women this Christmas.

Now's the Time To Do Your Christmas Shopping

If you asked the men in your family what they preferred for Christmas the answer would probably be "something to wear."

A new shirt, a pair of gloves, some new handkerchiefs are certain to hit the right spot. We have a big array of such gifts ready to show you; they come in the very best quality, in the newest styles.
