**Up Go Cattle Values!
 Down Come Feed Costs!**

Come in and see a machine that will enable you to increase the value of your hogs, cattle, poultry and cut *one-fifth* from your feed bill.

Thousands of farmers are getting these results with the Letz—the famous feed grinder with the patented grinding plates that have 848 cutting edges. They're the lightest running, finest cutting, most durable grinding plates on the market. See us demonstrate them.

LETZ
 America's Leading Feed Mill

In one operation, cuts, grinds, pulverizes, into finest meal all grains and grasses, wet or dry, and can not clog. Grinds corn, shelled or on cob—snapped corn—or complete stalk, ear leaves and all. Grinds oats, hulls and all; grinds barley, rye; special attachment for alfalfa, clover, millet, Kafir corn and other roughage crops. Grinds into finest flour.

Plates are self-sharpening. They can be run empty for hours without damage. Guaranteed to outlast from 3 to 5 sets of any other plates—reversibles included!

With this mill you can produce a fine quality of flour for home use in one grinding. Thousands of homes now use the Letz. Economical to operate. Saves from 25% to 40% power. Has 10 big desirable advantages. Come in and see for yourself.

Basket Ball A \$25,000 Fire at Rheems Tuesday

ST. JOE RESERVES IN CLOSE VICTORY

The St. Joe Reserves defeated the Mount Joy basket ball five in a fast Saturday night by a 24 to 23 score. The game was one of the closest played on the countian's floor this season.

The winners had a comparatively easy time in the opening period being on the long end of a 17 to 9 score at the end of the first period but the Mount Joy quintet came back strong in the succeeding period, forcing the winners to their utmost.

Bransby and Hinkle played bang up games for the winners, while the guards showed up well. The score:

Mount Joy		St. Joe Reserves	
F.	Gls.	F.	Gls.
R. Bennett	2	0	4
C. Bennett	2	0	4
Grissinger	1	0	2
Gantz	1	0	2

Total		7	10

MT. JOY WON FROM M. S. N. S. RESERVES

In a hard and fast battle the Millersville Reserves held the strong Mt. Joy High Club to a 17-10 score on the latter's floor Friday evening. E. Myers was high scorer for the winners, and McClung and Keener for the Normalites. The score:

Mt. Joy High		M. S. N. S. Reserves	
F.	Gls.	F.	Gls.
Sneath	0	0	0
McClung	1	3	14
Keener	2	1	5
Fisher	0	0	0
Kelly	0	0	0
Morrison	0	0	0
Total		3	4

Sweigert	0	0	0
Hoffman	1	0	2
Total		6	5

Substitutions—Morrison for Kelly. Referee, Ellis. Scorer, Watson. Timer, Groff. Time of halves, 20 minutes.

GOLDE TOSSERS DEFEAT MOUNT JOY

The GoldeE basket ball team journeyed to this place Monday night and defeated the local team in an exciting game by a 28 to 20 score. The game was fast and well played by the contesting quintets.

The local contingent got the jump on the fashion plates and at half time were leading the procession by a 12 to 10 score, but Manager Shay's proteges came back in the ensuing period and with clever passing, soon commanded the lead. The local five were held to but eight points in this session.

C. Stetter, Paulsen and H. Stetter played good games for the winners, each caging three field goals, while Ellis was the shining light for the countians. Several regulars in R. Bennett, Capt. Breneman were greatly missed by their absence, especially the latter's foul shooting. The score:

GoldeE		Mt. Joy	
F.	Gls.	F.	Gls.
C. Stetter	3	0	6
Paulsen	3	0	6
H. Stetter	3	8	17

Who Will I have for West Donegal...

A \$25,000 Fire at Rheems Tuesday

(Continued from page 1)
 warehouse, the main building there being about 50 by 100 feet. This was also entirely destroyed.

The fire was discovered by a neighbor, who quickly gave the alarm, and the whole village was aroused. An effort was made to extinguish the fire by attaching a hose to the water plug in front of the building, but as the reservoir was in a leaky condition, no water could be had. The fire had gained such headway that it was impossible to save much of the contents of the buildings, they containing a number of automobiles, trucks and tractors, as well as supplies for the autos and the machinery used in making repairs and the building of machines.

In the warehouse there was about \$3,000 worth of farm tractors, every one of which was destroyed. Two trucks, a Vickers and a Reo, were burned. The Vickers was owned by M. S. Hershey, of Hershey, and it had been at the place to be repaired. Among the automobiles destroyed were a Maxwell touring, a Cadillac, a Paige and an Overland. The residents of the village succeeded in getting out three trucks, but by the time these were taken from the building the flames had gained such headway that it was impossible to save any of the others. Much valuable machinery was burned, as well as a line of supplies.

The strong wind blowing at the time gave promise that the flames would spread to other buildings. In fact, the P. R. R. station near by did catch fire, but the blaze was soon extinguished, with but slight damage.

When this situation arose the Elizabethtown fire department was appealed to, and the chemical engine went to the place, but when they arrived they were unable to be of any assistance, as the buildings were almost completely destroyed, they being but a mass of burning embers. The firemen rendered some service in preventing some other buildings from catching fire. The fire is supposed to have started in the basement of the main building, where the heating plant was located. The Messrs. Landis estimate their loss at about \$25,000, which is quite a blow to them. The cars were owned by other people and the loss is about \$7,000. Mr. Landis estimated. He thought that several were uninsured. The Landis share of the loss is about \$20,000, on which there is \$15,000 insurance. They were busy and had considerable work on hand.

PUBLIC SALE REAL ESTATE AND PERSONAL PROPERTY

A warm fleecy lining— an all-rubber surface —the new "U.S." Walrus

ALL the warmth and convenience of a cloth-top arctic—as water-tight and easily cleaned as a rubber boot—that's the new U. S. Walrus! It's an all-rubber overshoe—the sort that every farmer has always wanted.

Snowtight and watertight in every part, the U. S. Walrus gives complete protection for the roughest sort of wear. Its soft, fleecy lining will keep your feet warm in the coldest weather.

You can wade through mud and slush all day, and then at your doorstep—Swish!—a pail of water or a rinse at the pump leaves the U. S. Walrus clean and shining. Every trace of mud is quickly washed off that smooth rubber surface.

Then snap open the buckles—push the U. S. Walrus off with your toe—and there you are in your leather shoes, as clean and dry as when you started out.

The comfort and convenience of this new overshoe are backed up by real strength. Its sole consists of heavy layers of the finest rubber. At every single point where the wear is hardest, the U. S. Walrus is heavily reinforced.

Ask your dealer today to show you a pair of the new U. S. Walrus. Notice the lining of thick, soft fleecy—the smooth, all-rubber surface. After you've worn a pair for a day or so, you'll realize why they're fast becoming so popular with farmers everywhere.

Other "U. S." models—all built for the hardest wear

Whether you prefer a boot or a bootee for the wet season, a "rubber" for general use, or a cloth-top arctic—you can find in U. S. rubber footwear exactly what you need. Tough, heavy soles—special reinforcements at toe and heel—and always the highest quality rubber—these points are winning U. S. rubber footwear thousands of new friends every year.

Ask for U. S. Rubber footwear—it means solid wear and long service for your money.

"U. S." Boots are made in all sizes and styles—Storm King, Sport, Hip, in red, black, etc.
