WAR NURSE FROM ARMENIA ASKS **AMERICA'S AID**

Soldier Husband and Battlefield Baby Touring Country With Her for Near East Relief.

A mother, father and daughter, the latter born in a tattered Red Cross tent in the icy Caucasus while guns roared all around and Turkish shells, ignoring the mercy emblem, burst near it, are touring America in behalf of their native Armenia. They are General Mezrop Nevton Azgapetian, his

wife, Lady Anne, and Ireneh Esther Araxie Azgapetian, whose baby eyes opened upon scenes of horror and later through them saw much of the sufferings of the people of Armenia.

The family are making their tour under auspices of the Near East Relief, the big organization which has saved hundreds of thousands of the people in that part of the world from death by hunger and cold and is soon to open a nation wide campaign for funds to complete the work of saving the survivors, more than a half million of whom must perish unless aid comes to them soon. America is their only hope. General Azgapetian served gallantly

in the Russian armies in the Caucasus against the Turks. His wife, who accompanied him to the front, did noble work for the wounded and sick, and it was while in this service that her baby was born in a hospital tent during a battle. An army blanket swung from two poles in one corner of the tent was the baby's crib during the rest of that terrible winter campaign. With the collapse of the Russian armies after Fri, Mar. 5, near Mt. But with a Turkish price on his head the father finally made his way with his family through Russia to Finland and then to this country. What they tell of conditions and needs in Armenia is first hand evidence.

In the Caucasus, Armenia Syria, Turkey and Persia are more than 250,-000 orphans, helpless little victims of war, massacre and deportation, and for the great majority the only bar beoffines.

Cardinal Gibbons Asks Aid For Starving Armenians

message from James (Cardinal) Gibbons read at the big meeting in Washington in aid of the Near East Relief. The venerable primate of the Catholic Church in America is intensely inter-

(International.) ested in the

Cardinal Gibbons, appeal which the Near East Relief will make to the country in February for funds to support its work among the starving peoples of that stricken land. To the Washington meeting he wrote:

"Advices and information coming from the Near East cannot be doubted. There is great actual suffering and famine. These people, recently become independent and released from bitter thraldom, cannot support themselves. And the Christian and common instincts of humanity which have prompted the people of the United States during the last two years to relieve the distress and needs, especially of the Near East, must not be allowed to grow cold and be diminished.

"I hope we shall all unite in this present emergency and be able to collect sufficient funds to enable these peoples to live and work until next summer brings them permanent relief and subsistence. I call upon all to respond generously to the appeal now being made and trust that the committee will be gratified with the results."

\$5 PER MONTH FEEDS ORPHAN

Cleveland H. Dodge Shows What Near East Relief Can Do in Efficient Purchasing.

Buying in wholesale lots and under the most favorable market conditions, Near East Relief of 1 Madison avenue, New York city, with representatives in every state of the Union, has been able to baffe the high cost of living so far as relief supplies for the suffering millions of the Near East are concerned.

Cleveland H. Dodge, treasurer, in a statement shows that the committee is able to provide food for the suffering people of the Near East at prices much lower than the average charge here.

A donation of \$5 per month will provide food for one orphan, \$10 per month provides not only food, but also clothes and shelter for one orphan, and for \$15 per month attendance at school is assured to each orphan in addition to food, clothing and shelter.

In the appeal for funds to save the This soup is supplied by the Near East starving remnants of the Armenian East Relief is inviting the American public to "adopt" an orphan at the rates given here. Over 250,000 home less children are in need of help in the Near East. Women's organizations, lodges, churches and social clubs are responding to the appeal by adopting quotas of orphans for support over a definite period.

SAVED FROM HAREM

Armenian Girls Rescued from Turks Being Taken to Near East Rel

The three pretty Armenian girls in the auto are taking a real "joy ride," joyful having another meaning from that generally associated with auto riding here. They have been rescued from the harem of a Turk after four years of shameful servitude and are being taken to one of the Near East Relief rescue homes. No wonder they are smiling for the first time since their captivity. The Near East Relief is caring for many thousands of these girls until they can find their relatives. Also it is working to save 250,000 orphans and over a million adults from starvation this winter. That is why it is making a nation wide appeal for funds to carry on its noble work.
