Florin presented a petition to the Lancaster County Court on Saturday morning asking for a charter to be incorporated into a Borough. This petition was signed by ninety-one per cent. of the resident freeholders, which is positive evidence that the people there almost unanimously favored the movement.

Florin is a thrifty town with every possibility of increasing control of the resident formulation of the people there and address the meeting will be held at the chestnut Grove schoolhouse, Rapho township, on June 19th. This meeting will be in the nature of a reunion and all the former teachers and pupils of that school are invited to be present. Some of the men, who taught this school and have since made it mandatory upon the church man President J. A. Bachman, made certain propositions. The matter was carefully considered by Council and after viewing the plot which was to be annexed, that body decided it would be a boost for our town and chairman H. S.
