THE QUESTION OF FURNITURE QUALITY

There are few things that quality effects so vitally as furniture.

Often things that people buy for personal wear and for home use are not always expected to last a long time, but this cannot be said about furniture. When you buy furniture you are buying something you expect to render you long service. It will if you buy it here, because here we think of quality first. All the furniture we buy must measure exactly up to requirements which we make as to the manner of workmanship. And, after all, in the long run, well-made furniture is the cheapest sort of furniture to buy. We invite comparison, look around, compare qualities and prices and then come here and see our vast assortment.

BIG DOUBLE CIRCUS COMING THIS WAY

This locality has entertained many circuses, but never anything to compare with the gigantic double shows billed as Ringling Brothers and Barnum & Bailey Combined which will exhibit afternoon and night at Harrisburg, Monday, May 31.

The merging of the mammoth institutions in one circus of colossal size, constitutes the amusement surprise of the century. Nothing to approach this gigantic, new circus has ever before toured America. It has been formed by merging the pick and the cream of all that was biggest and best in the two famous shows. It would be folly to attempt to enumerate its many wonders. Some idea of the enormous scale upon which features are presented may be had when it is stated that a quarter of a million pounds of elephants take part in a single act. In other words—six times as many of the big-eared giants than have ever before been seen in one main-tent exhibition. All else to be seen is in proportion. The arena stars embrace all the world's foremost circus performers. There are three hours of novelties and big sensational acts. The menagerie is far and away the most colossal ever traveled. For instance—a herd of eight giraffes are exhibited in place of the two or three shown in the past. The great tournament which opens the main-tent program, is the most magnificent thing in pagentry yet produced in America. Hundreds upon hundreds of gorgeously costumed characters and beautiful horses take part in it. The morning street parade is the longest and most brilliant ever given anywhere and offers something entirely new and novel in processional display. It is a stupendous, double-circus that baffles description.

Goss—Dettinger
A pretty wedding was solemnized at the manse of the Presbyterian church when Miss Mary E. Dettinger, daughter of Mr. and Mrs. George Dettinger, of Marietta, was united in marriage with Raymond L. Goss, son of Prof. and Mrs. C. E. Goss, of Bainbridge.
