MILTON GROVE

Jacob Ginder sold his Milton Grove property to a party from Florin, who will demolish same and convey to Florin.

The Chiques church of the Brethren will hold their love feast at Chiques house on the 25 and 26th of May.

Along the creeks and brooks garden vegetables have suffered much by frosts during the last few days and many must be replanted.

The trucks ploughing through the byroads, have left large deep ruts and traveling is bad. If the road drags were used at the right time much improvements could be made.

Eli Grosh, retired merchant and bank director, has gone to Mt. Gretna, where he expects to remain all summer. He occupies his own cottage and his daughters and sisters take their turns in keeping the cottage in order and performing the cooking.

Roscoe Thome, a clerk in Grosh's store, went fishing on ascension day and succeeded in angling quite a few large suckers. Many other fishers who saw Roscoe pulling out the big ones usurped his place, but failed in getting a bite.

On Sunday evening there assembled at the final meeting of the revival services at Risser's church an exceedingly large crowd. The preacher in charge preached on the subject of "Making Excuses Concerning Serving God."

The School Board of this district has decided that the school at Oak Dale will be closed. Decision was made at a meeting of the board, held recently when several patrons appeared to petition the board to continue the school.

The white washers are at work in full force. The weather man is giving us what belongs to us—matters not what we claim to have.

Mr. and Mrs. Joseph Meashey, of Mt. Hope, visited in the family of C. G. Hollinger, last Sunday. Church building cleaning at Risser's and Chiques on Monday was done with an abundance of willing workers.

The churches throughout Rapho township that took an offering for foreign missions last Sunday were well patronized, as reports show.

Next Tuesday communion services at Chiques Church start at 10 o'clock A. M. A number of able ministers are expected to be present.

Abner S. Hollinger was engaged at turning the sod for Jno. W. Geib with tractor and plow. A large amount of work was done in less than our grandfathers knew how.

Some of this section assisted at the barn raising at the farm of H. B. Shearer, of Mastersonville. The new barn replaces the one built 112 years ago, by the late Samuel Shearer, grandfather of the present owner.

The Presbyterian church is in need of a sexton. They have a fine house, pleasant surroundings and can make a man a good financial proposition. The house is ready for immediate occupancy.

Merchant Getz and Publisher Schroll were seen angling for trout along the stream here a few hours Friday afternoon. They succeeded in landing a number, the largest of which measured sixteen inches.

The Donegal Historical Society will present a large bell to the Presbyterian church here and the congregation is now wrestling with the problem of just where to put it. Some suggest on the church, others suggest the erection of a belfry at the front of the church while others suggest placing it on the historic oak in front of the church.

Do you know Whit Sunday was on Sunday. The day celebrated for the founding of the first Christian church. Wonder how many sermons contained expression of its importance and that great day.

H. G. Rohrer and Benj. Brandt sold their fat cattle the past week which number about 50 head. These farmers made some good sales the past years which gave them rather a stiff back-bone but this sale is inclined to make them rather weak in the joints.

The Lincoln recreation club held an organization meeting on Sunday evening and elected the following officers for the coming season: Pres., Isaac Brubaker; Vice Pres., Robert Brubaker; Secretaries, Mary Kauffman and Anna Rohrer; Treasurer, Benj. Stauffer. They will have two tennis courts, two croquet grounds and two quit plots. The constitution and regulation committee will make a report at their meeting held on Tuesday evening. The enrollment will number about 30 of our active young people.

The call comes from every where for help or workers in factory as well as on the farm. If there ever was a time when every boy between 6 and 16 should be made to understand he must help, that time is now. Every hand should be put to the plow, so to speak. When boys are young is the time they must be taught the importance of doing their share of the work around the home. Parents who make their boys responsible for certain duties around home give them the finest foundation in education and thereby help them to become a worth while man. It will not hurt little hands to give them a reasonable amount of work within their reach and their is no better way of helping them to a right sort of life.

Church building cleaning at Risser's and Chiques on Monday was done with an abundance of willing workers. The churches throughout Rapho township that took an offering for foreign missions last Sunday were well patronized, as reports show.

Isn't it Funny that the man who thinks he is a business man will get up in the morning from an advertised mattress, shave with an advertised razor, take off advertised pajamas and put on advertised underwear, advertised hose, shirt, collar, tie, seat himself at the table and eat advertised breakfast food, drink advertised coffee or substitute, put on an advertised hat, light an advertised cigar, go to his place of business and turn down advertising on the ground that advertising doesn't pay?
