

Mount Joy High School Graduating Class 1920

MILLERSVILLE NORMAL NOTES

(Too late for last week) Miss Dorothy Myers was home over the week-end. Misses Ellen Mumma, Anna Brubaker, Grace Henderson and Frances Beatty accompanied the normal school to Washington, D. C., on Thursday. A very educational and delightful time was spent there. They returned home on Saturday. Miss Anna Brubaker spent Sunday at her home. Miss Mary Rohrer was home over the week-end. Miss Lavina D. Sampsel of Shenandoah, Pennsylvania, was the guest of Miss Frances Beatty over the week-end of the 21st. The Normal School played the F. & M. Academy on Wednesday. The Normal school was victorious, score 11-4. Miss Mildred Fellenbaum was home over the week-end. The Commencement exercises of the Normal school will be held on June 23. Summer school begins on June 28. Memorial services were held at the Normal on Sunday and Monday. On Sunday they were held in the chapel and on Monday they were held on the school campus. Miss Anna Foreman spent the week-end at her home in Rheims. Miss Pearl Quimby, a former teacher of the Normal, is visiting us at this writing. Our new tennis court has been completed. This makes four courts for the school. The Page Anniversary held on May 21st was very well attended. A pleasing program was rendered. The farming business is the largest single industry in the United States.

RUNAWAY HORSE AT E'TOWN DASHES INTO A WINDOW

Benjamin Zimmerman, who resides several miles south of Elizabethtown while on a business trip to that place on Thursday morning, accompanied by his mother and little son, met with an accident which is a miracle that no one was injured. While passing through the square a bolt from the buggy fell down and struck the animal on the leg causing him to freighen and run away down South Market street, and came in contact with an auto standing in front of Dierolf's dry store, tearing off the front wheel on the right side. A little further down the buggy struck a telephone pole tearing off the rear wheel. At this instant Mr. Zimmerman jumped and called to the others to follow, but they were so scared to do so. The animal then crossed the street and the buggy caught at a tree in front of Shissler's barber shop which stopped the animal but not before he had run upon the cement pavement and knocked his head against the large plate glass window in the barber shop, badly cracking it. The aged lady and little boy remained in the buggy all the time and it was a most narrow escape from instant death. The buggy was a complete wreck. The lady's bravery was remarkable for one of her age.

Baker-Nye
John E. Baker, an employe of the Kreider Shoe Factory, and Miss Florence Nye, of Elizabethtown, were married Saturday at the home of the bride's brother, Rev. H. H. Nye, 165 Park street, Elizabethtown. The ceremony was performed by Rev. Nye and the couple was unattended. They will reside in Elizabethtown.

WILL HOLD A PUBLIC MEETING ON FAIR GROUNDS

THE AUCTION TOBACCO SALES COMPANY OF LANCASTER (to be incorporated) has secured the use of the Grand Stand of the Lancaster County Fair Association for the purpose of holding a special meeting for all tobacco growers and also the use of the big Exhibition Building and rights-of-way for their proposed PUBLIC SALES FLOOR for the purpose of establishing a permanent and satisfactory tobacco market for all Lancaster County tobacco growers. The Preliminary Board has arranged for a special meeting of all tobacco growers on Saturday afternoon, June 19th, at 1 o'clock, in the Grand Stand, for the purpose of presenting the most satisfactory methods of conducting the PUBLIC SALES FLOOR for Lancaster County. The tobacco growers will be given information as to market conditions and instructions as to how to prepare their 1920 tobacco crops for sale over the PUBLIC SALES FLOOR. Some good speakers are being invited for the occasion. For quick action a pistol holster has been patented that opens its entire length when a weapon is withdrawn.

A solder has been invented which holds rimless lenses against the metal parts of eyeglasses without screws. A Mexican in Arizona drank nearly a quart of wine alcohol and worked 10 hours on the railroad the next day.

DRIVES AUTO INTO FENCE TO AVOID A COLLISION

The automobile of J. C. Snader, of Landisville, was driven into a fence opposite the Almshouse on the Lincoln Highway, Sunday, to avoid a collision with the car of Dr. Charles Stamm, dentist, of 132 North Prince street. The latter was going west and the Landisville car was moving eastward, the driver going around several other cars going in the same direction. The Stamm car appeared just as the other was passing another auto, so to avoid a crash the Landisville machine was driven upon the pavement and against a fence. No body was hurt.

Catarrah Deafness Cannot Be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrah Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrah Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces. ONE HUNDRED DOLLARS for any case of Catarrah Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists 7c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

COUNCIL HOLDS REGULAR MEETING
(Continued from page 1)
plies. Also the sub reservoir being cleaned. The supervisor, Mr. Henry Smeltzer was ordered to clean the main reservoir on Saturday evening, June 12, if weather is favorable. The Gerberich-Payne Shoe Co. asked for a four inch connection to the water main to supply their new plant. Same was left in hands of the water committee with power to act.

Finance Committee
Mr. Hauer, of the Finance committee reported the approval of a number of bills.

Ordinance Committee
Mr. Longenecker, chairman of the Ordinance committee presented an ordinance prepared by the Borough solicitor Mr. John A. Coyle for the purpose of annexing to the Borough of Mount Joy, Lancaster Co., Penna., land owned by the Bachman Chocolate Manufacturing Co. and Eli B. Helman. The above ordinance was read by the clerk, voted on and passed its first reading. Five members voting "yea" and one "nay."

Property Committee
Mr. Ream, of the Property committee reported placing a new rope on flag pole at Post Office, also a few other repairs at Council Chamber necessary. Same was ordered.

Light Committee
Mr. Eshleman of the Light committee reported new light placed at the residence of Mr. Elmer Ebersole on Hemp street.

Chief of Fire Department
Mr. Mumma, chief of Fire department, reported the engine in good condition and stated the company has only about 1,000 feet of good hose at present. He reported the new Siren fire alarm received and would be installed as soon as a few changes have been made at the Council Chamber. Also made the following suggestions before the new fire apparatus arrives: a longer drain pipe placed in the gutter in front of the fire house, a catch placed on the main doors so as to hold them open while taking apparatus in and out, also the floor being in bad shape. Same was left in hands of the property committee with power to act.

The report of the Union National Bank treasurer showed balances in the three accounts as follows: Boro, \$470.78; Water, \$834.34; Interest, \$666.00; Total, \$1,971.12.
After payment of a number of bills Council adjourned.

Auxiliary Meeting
The regular monthly meeting of the Hospital Auxiliary will be held at the home of Mrs. T. M. Breneman on Thursday afternoon, June 10th at 3 o'clock. It is requested that all unpaid dues be sent in.

NEPONSET ROOFS

Roll Roofings of Reputation
Don't choose roll roofings hastily. What looks like a saving in first cost may in a few years prove a big expense. We sell slate-surfaced roll roofings made by Bird & Son. Each one of their roofings has earned a wonderful reputation for good looks, durability, and economy. Most everyone knows of Neponset Paroid. It is the best roll roofing made. Ideal for garages, porches, farm and factory buildings. Artistic red and green colors. American Ready Roofing is great for siding as well as for roofs. Impregnated with asphalt and surfaced with slate, it gives wonderful wear at low cost. Come in and put your roofing questions up to us, and get your free copy of booklet "Repairing and Building." BIRD & SON, Inc. (Established 1795) East Walpole, Mass.

H. S. NEWCOMER, Mount Joy, Pa.
