

CHESTNUT HILL

Paris Koser and Charles Blaston of Locust Grove, were circulating in our midst last Saturday.

That was some rain we experienced on Saturday evening having been a victim to its terrific force coming home from Florin.

Tommy Kreider, the hustling supervisor of the Lancaster and Marjatta turnpike company was out on Sunday evening enjoying the beauties of nature.

Abraham Waltz and family visited his father-in-law, William Dyer down near Silver Spring on Sunday, driving that two minute roadster of his. Jacob E. Williams, wife and his bright little daughter Martha, of near Rheems enjoyed the hospitalities of E. R. Neideigh and family on Sunday.

Luther Wentzel, a former resident of Blaine, of whom we frequently met during our days up there was a cheerful hand shake over at A. D. Garber's store at Florin last week.

During that terrific storm that predominated around here on Saturday night, a large tree located near the barn of farmer Dress, above here received the effects of an electric stroke.

That Perry county reunion is getting more ripe every day and its going to culminate into a grand success, if the court knows itself and that's no dream either. Glaring posters put upon conspicuous places and turned out from the Bulletin office will explain all.

E. R. Neideigh and wife, your correspondent, Charles Berrier, Samuel H. Tressler and son, Claud, Willis Smith and wife called at the home of Chas. Collier and wife to pay their respect to Brandt Stum and wife who are visiting his sister for an indefinite period.

We were exceedingly surprised the other day when we were summoned to an automobile to shake hands with a Perry county boy

Brant Stum and wife who left that romantic country 14 years ago and are now located at Rinera, Iowa, having an irresistible inclination of visiting the scenes of their childhood up near Blaine, Pa.

WHY IT SUCCEEDS

Because It's For One Thing Only and Mt. Joy People Appreciate This

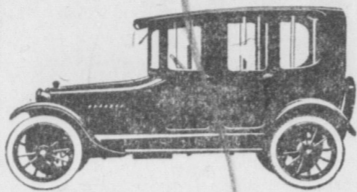

Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Ask your neighbor!

Here is Mount Joy evidence to prove their worth. Mrs. Irvin Geistweil, W. Main St., says: "Doan's Kidney Pills have been used in our family as far back as I can remember. My back used to pain and ache so I had to have it rubbed. My kidneys became weak and bothered me on that account. I used Doan's Kidney Pills and certainly can say without a doubt, this medicine is the best I know of. Doan's gave me prominent results I haven't had to use them in a long time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Geistweil had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

STAGE COACH DAYS

Our forefathers selected their own glasses. They also traveled in stage coaches. They did both for the same reason—there was no other way.

Today stage coaches are a curiosity—their utility has passed with the invention of more modern methods, just as "selecting your own glasses" has given way to scientific eye testing.

Our methods of testing are the latest and most scientific known and our work is fully guaranteed to be satisfactory. Call and see us.
