

## Overcoat Bargains

Garments Actually Worth \$45  
Retailing Here at Only \$30

Series of Overcoats that were bought only within the past few days at a figure that actually anticipated a general reduction in price that the manufacturer had scheduled to make Nov. 15.

Best of all they are a type of Overcoat that the average man wants. They are made of the finest material and have the Ulster collar, those big collars that can be buttoned up to hug the throat and keep the biting days of winter.

Made with the best back cloths and Venetian yokes and sleeve linings.

At \$30 we are making a very minimum of profit.

If what the manufacturer tells us is correct, he is losing by the wholesale.

But certainly YOU will have a whole lot to gain.

### Higher-Priced Overcoats

are also offered by easy price-jumps, and there's a wealth of selection, whether you want the conservative and always good Chesterfield or the long-skirted, warm and cozy Storm Coat.

### Low Prices In Our New Downstairs Shoe Store

Prices are so much lower here than in the specialty Shoe Store because our department is run on a next-to-nothing rental, from the fact that it is located down stairs while its competitors occupy high rent ground floors.

Children's Shoes, elsewhere a half dollar or more higher, are offered here in Tan Willow Calf, Scuffer Lace at \$2.25 and \$2.50.

Children's Shoes in Chrome Tanned, Scuffer Lace; Tan, Black and Smoke, with guaranteed soles (some children outgrow them before they outwear them) sizes 6 to 8—\$2.75; 8½ to 11, \$3.50.

Boys' Shoes, sizes 2½ to 5½ are \$4.50—Dark Tan, Gun Metal, Black Storm Calf; solid leather soles.

Little Gents' Shoes in tan and Gun Metal Blucher; sizes 9 to 13½, \$3; 10 to 13½, \$3.75. Better grades in tan and black, foot form lasts, \$4.50 and \$5.

Men's Shoes are offered at \$5.50 up to \$12—compare with other stores at \$6.50 to \$15.

**Ford**  
THE UNIVERSAL CAR

The Ford Coupe with an electric self-starting and lighting system is one of the most popular members of the Ford Family. It is a permanently enclosed car, with sliding plate glass windows—an open car with plenty of shade. Then in inclement weather, enclosed and cozy, dust-proof and rain-proof. Just the car for traveling salesmen, physicians, architects, contractors, builders, and a regular family car for two. Demountable rims with 3½-inch tires all around. To women it brings the convenience and comforts of the electric with the durability and economy of the Ford car. Early orders will avoid long delays in delivery.
