Entered at the post office at Mount Joy as second-class mail matter. The date of the expiration of your subscription follows your name on the label. We do not send receipts for subscription money received. Whenever you remit, see that you are given proper credit. We credit all subscription on the first of each month. The subscription lists of the Landisville Vigil, the Florin News and the Mount Joy Star and News, were merged with that of the Mount Joy Bulletin, which makes this paper's ordinary weekly.

**RHEEMS**

Mr. and Mrs. Victor Diebler returned from an extended trip last week through the western part of Ohio.

Messrs. B. H. Greider, F. Neideirh, Henry Loose attended the tobacco growers' meeting at Lancaster last Monday, Dec. 21st.

Two cars nut coal have been unloaded at the Rheems coal yard the past few days. Indications are that the black diamonds will soon be more plentiful.

The P. R. R. has furnished a two man motor car for N. N. Greiner signal maintainer of this place to cover his territory which extends as far as Lebanon.

Amos Garber from Mount Joy, the veteran P. R. R. signal foreman and his force of mechanics are adding some modern equipment and safety devices at KU tower at this place.

Miss Anna H. Keller, Messrs. Clarence R. Kraybill and Zook and other students from State College, Pa., are spending their Christmas and New Year vacations with their parents in this vicinity.

Hiram Ober, the hustling farmer from Green Tree delivered three porkers from the Lancaster stock yards to this place for the village butchers last Monday morning, the one weighing 490 pounds.

D. G. Brinser, the Rheems feed grain and coal merchant has been absent the past week owing to illness that keeps him confined to the house. His condition is improving and may fill his vacant chair in his office in the near future.

Joseph W. Kraybill received a funeral notice from his niece, Mrs. Grace Taylor at Chicago, Ill., which stated that his brother Eli W. Kraybill died and was buried at Olean, Florida. He had reached the age of 86 and is survived by his wife, one daughter, Mrs. Wesley Taylor, Chicago, and one brother Jos. W. Kraybill of Rheems.

The present days are days of modern improvements and convenience. The cattle drovers have been on the alert as well as other wide awake business men and mechanics. Recently Geyer, the Elizabethtown cattle man delivered a steer that weighed almost one half ton to the Rheems village butchers in a wagon equipped for the occasion. They placed the wagon near the slaughtering block, put the tackle to the animal and pulled it from the wagon backward without any excitement.

The smile of the auto riders indicated that the Highway between Elizabethtown and Mount Joy is open for traffic Monday, Dec. 21st and all detours have been removed. The past 27 months this section has been noted for quite a detour district using the country roads to such an extent that it made it almost necessary to have the supervisors making repairs almost daily. With the present first-class cement highway with elevated curves, standard bridges and easy grades, tourists and business trucks will make it a point to reach this pleasant road at their most convenient points thereby relieving the rural districts and allow the supervisors an opportunity to get his roads in a good condition.

The Bradentown, Fla., letters are becoming quite attractive and interesting to the readers, many of them being acquainted with the numerous writers. We miss quite a number of smiling faces that were in our midst during the summer days whose natures have become similar to the robin red breast. For my pleasure I prefer snow flakes, no mosquitoes and bugs for me. Thus far this section had a few snow flurries with the temperature down as low as 24. To the honey mooners as well as all the others who are so fortunate to be able to reach that far off country Florida we extend our sympathy while we are enjoying the delicacies of Pennsylvania at Christmas noon, wishing you all a merry Christmas and a happy New Year.

**Catarrhal Deafness Cannot Be Cured** by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. **HALE'S CATARRH MEDICINE** acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces. **ONE HUNDRED DOLLARS** for any case of Catarrhal Deafness that cannot be cured by **HALE'S CATARRH MEDICINE**. All Druggists Sec. Circulars free. **F. J. Cheney & Co., Toledo, Ohio.**

Few Forest Fires Harrisburg, Pa., December 22—rest fires destroyed about 15 acres of growing timber in Lancaster county the fall fire season, from December, according to need here today by the State's chief damage to the burned area to be \$151.00 by chief fire warden

HARNESS—SADDLERY AUTO TIRES—MOBIL OILS

of the State. It cost the State \$95.50 to put out the fires. Butchered Large Porker Wilkes Kahn, of West Donegal township, butchered a large porker that tipped the scales at 657 pounds the largest killed for many seasons in that section of the county. The animal was less than a year old, and of a common variety. Important subjects which were discussed with the Farm Product in Harrisburg, Pa., on January 14-15.
