OF FURNITURE QUALITY

Often things that people buy fo personal wear and for home use are not always expected to last a long time, but this connot be said about furniture. When you buy furniture you are buying

something you expect to render you long service. It will if you buy it here, because here we think of quality first. All the furni-

ture we buy must measure exactly up to requirements which we make as to the manner of workmanship. And, after all, in the

long run, well-made furniture is the cheapest sort of furniture to

buy. We invite comparison, look around, compare qualities and prices and then come here and see ur vast assortment.

Here is Mount Joys evidence to prove their worth.

Mrs. Irvin Geistweit, W. Main street says, "Doan's Kidney Pills have been used in our family as far back as I can remember. My back used to pain and ache so I had to have it rubbed. My kidneys became weak and bothered me on that account. I used Doan's Kidney Pills and certainly can say without a doubt this medicine is the best I know of. Doan's gave me permanent results results and I haven't had to use them in a long time.
