

Men's Trousers at Way Down Prices

There won't come a time this year when Trousers prices will offer the attraction they do at this store today.

We're operating at hardly a shred of profit in this department—simply that it may serve as a "missionary" for our Men's Suit department.

The one thing that has made GROFF & WOLF CO. what it is today is that it has never been undersold, quality for quality. With every changing condition GROFF & WOLF CO. has met the situation. When deflation set in last FALL WE MET IT. And THIS Spring we have practically brought our Clothing prices to HALF last year's figures.

Do you wonder why our trade comes from beyond Honeybrook and Downingtown on the east and from Wrightsville on the west; from Oxford on the south and Lebanon and Berks on the north?
