## JAKE BROWN HAS A REAL DIAMOND

ONE OF THE FINEST ATHLETIC FIELDS IN THIS SECTION AND THE BEST ONE EVER ARRANGED AT MT. JOY

This section has one of the finest and best arranged athletic fields in the county and all credit is due to Jacob G. Brown, proprietor of the confectionery and cigar store at the corner of Main and Manheim streets. "Jake" has always had a "hankering" toward athletics and the past few years has had his own baseball team, always bearing the financial bludge himself. Last year he had a good team, but his diamond was a limited plot.

Determined to have a real athletic field this year, he started out by purchasing about ten acres of level ground in Mount Joy township, midway between here and Florin, and just outside the boro limits. He set aside about six acres of said plot for athletics and now has a real base ball diamond.

He built a modern grandstand, under roof, for about two hundred people and has bleachers erected for about three hundred, having seating capacity for at least five hundred people. In addition there are two "pits" for the players and even a special box over the grandstand for the scorers.

A base ball team has been organized and will be known as Brown's Athletic Club. The team will play its initial game here on Saturday, April 30 and will have the Moose Reserves, of Columbia, as the attraction. In addition there will be a flag raising and a band will be in attendance.

The following players will participate in the opening game: Joe Bromm, Solon Barr, Lee Ellis, G. Miller, Mike Shwalter, A. Myers, G. Demmel, R. Myers, R. Bennett, Roy Pommel and others. Any one in this entire section that wishes to try for the team is welcome to come out.

In addition to base ball, there will also be foot ball, tennis, trap shooting, etc. At present Mr. Brown is having a refreshment stand erected.

These grounds are outside the boro and as week-end sports are so very popular at Marietta, Lancaster, Reading and nearly all the large cities, it has been whispered that there will be something doing here.

Whether or not the true of this field will surely put Mt. Joy, Florin, and this entire community on the athletic map in the future.

## A LARGE ATTENDANCE AT C. OF G. RECEPTION

There was a large attendance at the reception to the new members in the Church of God last Wednesday evening. Refreshments were served and all present enjoyed the occasion. In addition, the following program was rendered: Organ Voluntary, Mrs. J. K. Stauffer; Hymn 35, Congregation; Prayer; Solo, Miss Hawthorne; Solo, Miss MacDannald; Recitation, Miss Bear; Solo, Mr. H. S. MacDannald; Duet, Messrs. Brunner and Mumma; Reading, Mrs. R. E. Myers; Duet, Mrs. Stauffer and Miss Shookers; Men's Chorus; Duet, Mrs. Shires and Mrs. Shickley; Social Hour.

**These Are Real Taxes**  
Some people object to paying an 8 to 10 mill tax in this community and we are sort of anxious to know what they would say if they lived in Atlantic City. There the tax rate was increased 58 cents over last year, making it \$3.34 per hundred dollars of assessment. The borough of Longport, not far distant, is the highest in the state being \$8.47 per hundred.

**We Can Beat That**  
There were 21 applicants for the principalship of the Elizabethtown High School, which was made vacant by the election of Prof. E. A. Aummiller as one of the deputy county superintendents. When Prof. C. E. Roudsbush resigned here several years ago, Prof. A. P. Mylin was elected as his successor from forty-five applicants.

**Hoffman Buys Wagon Works**  
Bids were submitted to the local court for the Columbia Wagon Works and the award made to the highest bidder, Mr. R. Hoffman, at his bid of \$210,000, the sale to be confirmed in ten days. The sale involves the plant, the stock, good will and assets of the plant at Columbia.

**Home From Hospital**  
Mrs. Jno. M. Rhoads of near Hossler's church, whose leg was broken recently, and who had been at the Lancaster General Hospital, is home and getting along very nicely. She is now about on crutches.

**Festival on Saturday**  
Brown's Athletic Club will hold a grand festival in the park here on Saturday evening, April 30. A band will be present and a good time is in store for all. There will be any and everything to eat so come.

**Taken to Hospital**  
Jacob Risser, a prominent citizen of Maytown, has been taken to the Lancaster General Hospital for treatment. He is associated with his brother, Al Risser, in the leaf tobacco business.

## ENTIRE END OF A STONE HOUSE FALLS DOWN

Shortly after ten o'clock Sunday morning the residence of Mr. George Howard, at Florin, Mount Joy township, resembled a scene in San Francisco after the recent earthquake, when hundreds of houses toppled over.

Mr. Howard has an ancient stone house and the presumption is that the heavy rains of Friday night and Saturday weakened the earth about the foundation and suddenly the entire south end of the dwelling fell out. This occurred while the members of the family were in the house but fortunately no one was injured.

When the neighbors learned of Mr. Howard's misfortune, they donned their overalls and at noon all his household effects were removed to the hall building there, where he will reside until the house is rebuilt.

He will begin work immediately on raising his present dwelling and will rebuild it. The new dwelling will be located on the west corner of his lot instead of where it is at present.

## MANY ARE ANXIOUS TO KNOW WHO IT WILL BE

The term of our postmaster, Mr. J. Willis Freed, expired some time ago. He was an applicant for reappointment, but for some reason or other was not as yet appointed. Since the presidency has changed, it opened channels for Republicans and while the present incumbent is still an applicant, we have heard these names mentioned as his successor: Mr. J. Fred Fenstermacher, a former postmaster; Mr. John W. Esleman, formerly the head of the Grey Iron Works here; Mr. P. Frank Schock, son of Burgess H. C. Schock and Mr. C. N. Mumma, formerly a Councilman from the West Ward. Many of our citizens are awaiting with interest the appointment of Mount Joy's next postmaster.

## LEVENIGHT NOT GUILTY OF CRUELTY TO ANIMALS

The case of the Commonwealth against J. H. Levenight, of Elizabethtown, charged with cruelty to animals, was heard at the Lancaster court on Wednesday. The testimony of various witnesses for the prosecution was to the effect that Levenight had kept a heifer with a broken leg in a stable near a cow that had butted the heifer. The heifer's leg was broken last fall and as the fracture did not heal, the Court advised that she be killed now. This Levenight promised to have done and the Court directed that a verdict of not guilty, with cost on the county be returned.

## THIS FLIVVER JUST TOPPLED UPSIDE DOWN

On East Main street near Geo. Brown's Sons' Mills, there is a big caution sign and half way down Snyder's Hill is a detour. Many motorists go down this hill a bit faster than they should and there have been several accidents since the detour is on. On Sunday an elderly man, his wife and son, who refused to give his name, simply saying that he was from Harrisburg, went down said grade too fast and in making the turn to detour his "Lizzie" turned upside down, throwing all the occupants out but only bruising them. People were soon attracted to the scene, they assisted in turning the car back on its wheels again, the old man cranked off went the motor and the party proceeded on their journey none the worse for their experience.

## CASES DECIDED IN COURT OF INTEREST AROUND HERE

This is another busy week at Court and cases of local interest that were settled are as follows: In the case of Ralph Scattergood Tire Company, against John H. Tyson, of this place, a non-suit was entered. Mr. Tyson was formerly in the auto accessory business on East Main street here. He bought about \$1,000 worth of tires from Scattergood with the understanding that they would guarantee them. Mr. Tyson sold several tires, which "went bad" and were returned to him. He in turn sent them back to the Scattergood Company but they refused to make good. Mr. Tyson then refused to sell any more of the tires and asked them to remove his entire purchase. This they refused to do and instead sued for the amount of the bill. The plaintiff suffered a voluntary non-suit.

## Snyder vs. Schroll

Another local case settled out of court was the replevin suit of Harvey K. Snyder who resides on the Marietta pike, against Daniel A. Schroll of this place. Some time ago Schroll bought an automobile from Snyder. Over a year thereafter, Snyder issued a writ, had the Sheriff come and removed the car. The next day the Sheriff returned the car, putting it back into the garage from which it was taken, a bond having been given. Mr. Schroll produced his contract and all his checks as receipts which showed that he fulfilled his part of the agreement to its entirety. When this evidence was shown Snyder withdrew the suit and paid all the costs.
