## WILL CELEBRATE DECORATION DAY

### A BIG PARADE WITH SEVERAL BANDS—J. ANDREW FRANTZ WILL DELIVER THE ADDRESS.

The celebration of patriotic days is of vital importance to the rising generation. More and more we are coming to recognize that sacred day, May 30th, in a larger and broader sense of national devotion. The fifty third Memorial Day brings a reminder to every loyal American admonishing him that this day is a holy legacy and will be handed down from generation to generation. It calls attention to the sacrifices of our country's heroes—sacrifices made that for all times might live in a free and united country.

Memorial Day is a day of gratitude, love and patriotism. There never has been a time since peace came at Appomattox when the bond of common brotherhood has been stronger than now, and as we come to these mile posts, marking time along the way, we realize that life is too short for us to ever expect to pay in full the debt of gratitude we owe our country's heroes.

Mount Joy will make its usual effort to fittingly celebrate this occasion as follows:

At 9 a. m. the members of Walter S. Ebersole Post, American Legion and the Sons of Veterans will decorate the graves of comrades and hold services in the Florin, Lincoln, and Mount Joy cemeteries. At 10 a. m. in the Eberle cemetery.
