 To the remaining old vets, of our glorious organization the Grand Army of the Republic. The 56th year of the Grand Army of the Republic finds its remnant host now weak unsteady left blank of the greatest Army and Navy that ever battled for the nation's life and honor. Still surrounding their camp fires, feeding the past dying embers with the love and veneration held for each other; this love deepening as the roll calls shorten and soon to end with the expiring breath of the last tired body of them all. The Grand Army of the Republic is making that flag "The Hope of the World" has written a living epic of action heroic in ideals of the exalted patriotism. The sun set of the Grand Army of the Republic approached. The burning shadows deepen. The twilight will come and fade quickly into night. Meanwhile the lingering few are assured the gratitude of human hearts, the homage of human devotion, the priceless legacy of heroic achievements, a destiny accomplished, a posterity edified, a country saved. The passing of the Grand Army of the Republic will hold all the beauty of a perfect day, sinking with rosy golden glow into the arms of an evening whose best gifts will be to wrap it in the mantle of a star-studded night.

**WOMEN OF MIDDLE AGE**

May Escape the Dreaded Sufferings of that Period by Taking Mrs. Block's Advice

Hopkins, Minn. - "During Change of Life I had hot flashes and suffered for two years. I saw Lydia E. Pinkham's Vegetable Compound advertised in the paper and got good results from taking it. I recommend your medicine to my friends and you may publish this fact as a testimonial." - Mrs. ROBERT BLOCK, Box 542, Hopkins, Minn.

It has been said that not one woman in a thousand passes this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms. Those dreadful hot flashes, sinking spells, spots before the eyes, dizzy spells, nervousness, are only a few of the symptoms. Every woman at this age should profit by Mrs. Block's experience and try Lydia E. Pinkham's Vegetable Compound.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., about your health. Your letter will be opened, read and answered by a woman, and held in strict confidence.

AND ROLLED over. THEN I heard stes. AND IN the light OF A dying moon A WHITE spook me. I WASN'T scared much. BUT DIDN'T feel so. STARTING ANYTHING. BUT THEN I caught JUST A faint whiff.
