WITNESS TREE, AT DONEGAL SPRINGS

WITNESS TREE IS 144 YEARS OLD

THAT HISTORICAL OLD LAND-MARK AT DONEGAL PRESBYTERIAN CHURCH BECOMES A NATIONAL FIGURE

Witness tree, the historical old tree at Donegal Presbyterian church, has been placed by the American Forestry Association in their Trees' Hall of Fame, at Washington, D. C. Nominations for placing a picture of the tree there with an account of its historical connection were made by Miss Lillian Slaymaker Evans and Miss Arabella W. Redecker, both of Columbia, and members of the Donegal Historical Society.

The tree is the one under which, 144 years ago, members of Donegal church, then more than fifty years old, when they heard that Lord Howe was coming into Pennsylvania, gathered for a meeting. Taking their pastor, Rev. C. M. Farquar they gathered in a circle around him and literally forced him to renounce England, his native country, and declare his loyalty to the colonists. A tablet commemorating this event was erected by the Donegal Society two years ago.

National recognition has also been given the three oak trees which were planted in the church yard two years ago by the society in memory of three of its deceased members, Lieutenant Daniel S. Keller, of Lancaster; Lieutenant Benjamin Hiestand, of Marietta; and Lieutenant Alexander Rodgers, Jr., of Washington, D. C. These were registered as historical trees on the national honor roll of the American Forestry Association.

Five applicants were examined for the postmastership here on Saturday by Secretary R. H. Steffy of the Civil Service board at Lancaster. The examinations were held in the postoffice building. Results will be announced later. Those taking the examination were Messrs. C. N. Mumma, John W. Eshleman, J. Fred Fenstermacher, J. Willis Freed and Mrs. Mame Fenstermacher Burgard.

Work is Completed Concreting on the state highway between here and Salunga, in progress since early Spring, was completed on Friday. The few concrete bridge across the Chickies creek, east of the boro, was also finished that day and the road will be opened to the public on or about Sept. 1.

Festival at Bainbridge There will be amusements for the young and old at a festival which will be held at Bainbridge Thursday night for the benefit of the band of that town. Music will be furnished by the Liberty Band, of Mt. Pleasant.

BORO COUNCIL HELD TWO SPECIAL MEETINGS

Last Wednesday afternoon Mount Joy Boro Council held a special meeting for the purpose of hearing representatives of the State Highway Department relative to the approach to the bridge east of town. The Department requested that if the boro would put in the fill between the bridge and Snyder's Hill, it would macadamize the road from the bridge to the Cotton Mill and also macadamize West Main street, which at present is not in very good condition. The fill would cost the boro approximately \$2,500. Council took no action.

A Second Meeting Council was called into special session Monday evening with Messrs. Eshleman, Follenbaum, Bauer and Ream present. Mr. Eshleman was elected president in the absence of Mr. H. S. Newcomer. The report of the boro treasurer was read and showed a balance of \$200 in each of the two accounts. An ordinance prepared by the boro solicitor was read. Said ordinance authorized a temporary loan not to exceed \$3,000. The rules were suspended and the ordinance passed after third and final reading and was ordered printed. It may be found in our advertising columns. Council then adjourned.

MR. CHARLES SIECHRIST'S DAUGHTER KILLED SUNDAY

Clara, the two-and-a-half-months old daughter of Mr. and Mrs. Charles Siechrist, of near Silver Springs, was instantly killed Sunday when an automobile in which they were riding crashed against a tree on the road between East Petersburg and Landisville.

The child was with her parents Mr. and Mrs. Charles Siechrist and her two-and-a-half-year old sister Louellen and uncle Norman Siechrist. The Siechrist machine was proceeding at a moderate rate of speed when an Overland car, driven by Clarence Kulp 18, of Rothsville, attempted to pass. In negotiating the passage Kulp's machine sideswiped the Siechrist machine turning it into the gutter. Before it could be halted it crashed into a huge tree. Kulp escaped uninjured while Mrs. Siechrist and her daughter Louellen received slight bruises. Both machines were badly damaged.

AN \$8,000 FIRE IN EAST DONEGAL

THE FINE BARN OF MR. JACOB STRICKLER, NEAR MAYTOWN, COMPLETELY DESTROYED BY FIRE

Fire of an undetermined origin destroyed the barn, tobacco shed, garage, farming implements and contents on the farm of Jacob Strickler, at 4 o'clock Friday afternoon. The loss is estimated at \$8,000 partly covered by insurance.

The Strickler family were on a vacation, and the fire was discovered by Victor Hawthorne, who was at work in the tobacco field. When Mr. Hawthorne looked toward the barn it was a mass of flames. He hurried to the building and with the assistance of some neighbors succeeded in saving the live stock in the building. A bucket brigade was formed, but it could do nothing.

The Maytown firemen were soon on the scene. A call was sent for help to Marietta, Mount Joy and Elizabethtown. These companies responded, but they could do nothing as by the time they reached here the building was practically in ruins. The Mount Joy firemen prevented the flames from communicating with the house and other nearby buildings.

Mr. and Mrs. Strickler, Mr. and Mrs. John Hinkle and sons Paul and Levan and daughter Pearl and Miss Alice Miller, left last Friday for Philadelphia.

COUNTY RESIDENTS SAVE \$1,155,235

REMOVAL OF "NUISANCE TAXES" WILL HELP FATTEN FAMILY POCKETBOOKS—THEATRE LEVY GOES

Residents of Lancaster city and county will save approximately \$1,155,235.78 on refreshments, amusements and wearing apparel during the next year as a result of the action in Congress removing war tax from these luxuries. Heretofore Lancaster theater-goers paid a large sum annually in war tax for their amusement besides the regular fee. Interesting facts are found in the comparison. The figures are estimated on the amounts of tax paid into the revenue office here last year on those commodities from which the tax has been removed. Among other things the comparison shows that Lancaster's "sweet tooth" cost \$1,000,000 in war tax alone last year. Next year Lancaster can spend just that much more for candy if that amount is necessary to satisfy the hunger for sweets.

The war tax paid on wearing apparel is small and that amount will hardly be noticed. The amount turned in last year was \$15,999.35. Little was paid in war tax on wearing apparel, it is officially said, because little of the clothing sold here last year was priced high enough to be within scope of the tax regulation.

The removal of the tax on ice cream will enable the public here to spend about \$122,994.84 additional on ice cream and soft drinks next summer when the weather is hot. More jewelry can also be bought with the \$16,240.99 which the public will save in taxes on that luxury. On amusements which include club fees, the public paid last year \$81,869.98, which will either be saved or may be expended in other sources next year.

Hunters' Licenses Ready The first batch of hunters' licenses were received at the office of the Lancaster county treasurer and will be distributed, beginning Monday morning. The total number of licenses issued in the year 1920 was 14,604, which was an increase of practically 5,000 during a period of eight years.

OUR LOCAL LEGION POST PLANS FUTURE ACTIVITIES

At the regular meeting of the Walter S. Ebersole Post No. 158, of the American Legion, Mount Joy more post interest and spirit was manifested than at any previous meeting.

The subject of paramount importance was the discussion of the ex-service men of the town. Commander O'Neill contended that to accomplish this end post spirit must exist in order that the town might see what an adjunct a "Home for the Boys" would be to a town of our standing among others of the county.

A resolution was adopted by the post to stand by the Manheim Legion in the matter of the recent Gible funeral.

To stir up more interest among the members of the post an automobile trip to Gettysburg was planned for Sunday, August 21. About 95 per cent of the members agreed to go and twenty-five automobiles have been secured for the occasion. The trip is to cover about 250 miles via, Chambersburg, Carlisle and Harrisburg.

A Legion smoker is to be held in the near future. A foot ball team will be organized this year. The post will put a team on the field equal to any in the county, the material being made up of town boys who saw service in the World War. Athletic director Ben Groff and his assistants, expect to round the men into shape as soon as possible, there being enough candidates for three teams.
