JUST ONE HUNDRED YEARS AGO AND NOW

A caravan of about 100 persons who left Brooklyn, N. Y., last week, for Idaho, where they purchased farms, have about reached their destination.

They travel in autos and carry their supplies in auto trucks, where they cook with "gas," and at night they sleep in portable canvas houses. Our forefathers who went west, some 50 or 100 years ago had a different method of travel. They also made the trip on wheels, but in a different kind of a vehicle. It was a rough voyage, and it was not much better when they reached their journey's end. They had no shelter but the old "Conestogas" until they were able to erect a log cabin.

Suppose one of those pioneers, with prophetic vision, had said to his neighbors: "I see a caravan traveling west in 1921. Its wagons run without animals hitched to them. In camp at night, they bring out a wooden box that talks and sings." Such a seer would have been taken to a doctor—and later to the lunatic asylum, if he persisted in his prophecies.

The contract, then with now, shows you how a century has changed the mode of living in our country.

Can your imagination picture the changes that another century will bring?

Mock Trials at Landisville Harry Fry, of Rohrerstown, who took the part of "Farmer Cornstassel" in a mock trial at the Landisville campmeeting on Saturday night, got the worst of the bargain. The jury found that "Moses Jones" was not guilty of stealing the farmer's chickens. H. Frank Eshleman acted as judge, Stanley R. Still and J. P. Warfel were attorneys for the defendant and Ira K. Gibble and R. F. Stauffer prosecuted the case. A divorce case was brought up at the same time, in which Messrs. Still and Warfel represented the plaintiff and Stauffer and Gibble the defendant.

Here's a Bargain I have just listed a very desirable truck farm on Longenecker road, Mt. Joy, that will be sold quick. About six acres of excellent land, large frame house, barn, tobacco shed and cellar, an abundance of fruit, a roving investment for any one. Good location for warehouse or building. Convenient to industries, etc. Has bore water, light, etc. Act quick if interested. Ino. Schroll, Realtor, Mt. Joy, Pa.

Who Wants a Farm I have for sale an 88 acre farm in West Donegal township, that is, beyond a doubt, the best farm of its size I have ever offered. Limestone land excellent producer, good buildings, excellent location. Must be seen to be appreciated. J. E. Schroll, Mt. Joy, Pa.

Who Wants This? Is there a tenant farmer around here that wants to make as much money with less work than he is doing now? Here you are. A 30-acre farm 1/2 mile from Manheim, best of gravel land, good buildings, an abundance of fruit, fine water. This would make a dandy truck farm as it is close to markets. "I smiled—and he shot me"

AFTER MONTHS and months. MY WIFE persuaded me. TO HAVE it done. SO I went around. TO THE photographer. AND GOT mugged. WHEN THE pictures came. I SHOWED them to a gang. OF AMATEUR art critics. AND PROFESSIONAL crabs. DISGUSTED AS friends. WHO FAVORED me. WITH SUCH remarks as. "DOESN'T HE look natural?" "HAS IT got a tail?" "A GREAT resemblance." AND THAT last one. MADE ME sore. SO WHEN friend wife. ADDED HER howl. I TRIED again.

THIS TIME they were great. FOR HERE'S what happened. THE PHOTOGRAPHER said. "LOOK THIS way, please." AND HELD up something. AS HE pushed the button. AND NO one could help. BUT LOOK pleasant. FOR WHAT he held up. WAS A nice full pack. OF THE cigarettos. THAT SATISFY.

LIGHT up a Chesterfield and sense the goodness of those fine Turkish and Domestic tobaccos in that wonderful Chesterfield blend. Taste that flavor! Sniff that aroma! You'll register "They Satisfy." You can't help it.

Did you know about the Chesterfield package of 10?
