### INTER COUNTY CAGE LEAGUE IS FORMED

SIX TEAMS OF THREE COUNTIES ARE READY TO START GAME DECEMBER 12

At a meeting of the representative teams at Elizabethtown the Inter-County Cage League was formed. Frank Steese of Steelton was elected president, E. R. Ebersole, Elizabethtown, Secretary and W. W. Libfreid of Hershey, assistant secretary.

The board of directors is composed of the following, Ben Groff of Mt. Joy, W. Decker, of Marietta, J. Fry of Manheim; J. F. Snively Hershey; E. M. Boyd, Steelton; Preston Ney, Elizabethtown.

The schedule had been arranged for presentation before the league but the presence of a representative from Rutland prevent it from being adopted until it was decided whether Rutland would be admitted or not.

The admission of Rutland depends on whether it is possible to secure another team before the next meeting. Every effort is being made to secure another team and thus make the league composed of eight teams instead of six.

The following referees were chosen for the coming season: J. Smith of Rutland, B. Gaffney of Steelton, E. Killinger of Harrisburg, M. Jones of Lancaster, R. Nealy of F. & M.

The following is the schedule for the week beginning December 12: December 12, Steelton, at Mt. Joy, December 13, Hershey at Manheim, December 14, E-Town at Marietta, December 15, Mount Joy at Steelton, December 16 Steelton at Hershey, December 17, Marietta at E-Town.

### DOG OWNERS HAVE UNTIL JAN. 15 TO GET LICENSES

Efforts are being made by the Pennsylvania Department of Agriculture to have the 1922 dog license tags in the hands of the various county treasurers throughout the state by the first of December. Under the new dog law of 1921 the Department must furnish all tags, license blanks, application blanks and other supplies to the counties. All the supplies save the tags, are now on hand and the tags are being manufactured as rapidly as possible.

### GOVERNMENT REQUESTS YOU DO NOT USE THEM

The Postmaster General, through postmasters, has requested that the use of small sized envelopes and cards in the mails be discontinued by patrons, for the reason that here is an untold amount of time used in handstamping such envelopes which might be used to advantage in distributing letters of the proper size which can be run through the canceling machines at the maximum rate of 50,000 per hour. This handstamping not only delays the small sized letters but other mail matter. A special appeal is made to women who seem to use the small missives more than any one.

### Opening Game Next Monday

Our Big Five will open the basket ball season here with one of the best attractions to be seen here this season. Chi Phi Fraternity, of F. & M. will be the attraction. Jones, of last season's Trenton Eastern League team, Neeley, the all state forward of Ohio, Carrigan, captain of the Camden High school team last season, Bassett of Coatesville and George Brown of this place, compose the team. That should make some team. Game at 8.15. Admission, 30 cents.

### First Spelling Bee

The first spelling bee of the season will be held in Mount Joy Hall on Friday evening, December 2, 1921 under the auspices of Donegal Commandery No. 533, K. of M. The program will consist of music, recitations, dialogues, etc. There will be three classes with three prizes to each class. The admission will be 20 cents.

### Gave a Banquet

Mr. Clarence Schock, proprietor of the Star Independent Oil Company, held a banquet at his home on East Main street on Friday evening. A number of invited guests and friends from Philadelphia and New York attended the banquet.

### Keller & Bro's. Next Sale

Messrs. J. B. Keller & Bro. will hold their next sale at their stock yards, in this place on Friday, Dec. 8, when they will sell a lot of good cows, heifers and bulls, which are a better lot than the last.

### Will Nominate Officers

The regular monthly meeting of the Township Fire Company will be held on Wednesday evening at which time officers will be nominated to be elected regular January meeting.

### THE DEER SEASON OPENS IN PENNA. TOMORROW

For the benefit of the sportsmen of Pennsylvania who hunt large game especially deer, the season for which runs from December 1st to December 15th, inclusive, Sundays excepted, the following information is given: Bucks only with antlers at least 4 inches long. The last Legislature changed the requirements for deer so that hereafter before a deer may be legally killed the hunter must be sure he is shooting at a buck deer with horns or antlers at least 4 inches long from the top of the skull and so long as a deer has one antler 4 or more inches long, it is considered legal. However, in view of the fact that the spike bucks of this year are badly needed for future breeding purposes, sportsmen are requested to refrain from killing small bucks even though they do have spikes 4 or more inches long. The future supply of deer depends entirely upon the care that is taken of the present stock. Last year 198 illegal does and 66 baby bucks (that had not yet grown antlers) were killed in violation of the law. There may have been more but that number was reported.

### THANKS OFFERING AT THE KINDERHOOK CHURCH

Thank offering Day was observed Sunday in Kinderhook U. E. church under the directions of the Women's Missionary Society. A special offering is being made to have the entire enrollment of the church in the missionary society. There are at the present time 88 per cent of the members enrolled.

### TONS OF TURKEYS THAT ARE UNFIT FOR EATING

There are between eight and ten tons of turkeys in Philadelphia that are unfit to eat, according to Robert M. Simmers, special agent for the state bureau of foods. Farmers in Maryland, Virginia and Delaware shipped large quantities to Philadelphia a few days before Thanksgiving without ice and before the animal had the poultry was packed in barrels heat in them had an opportunity of cooling off. This combined with the warm weather resulted in decomposition.

### A Bee at Landisville

A spelling bee will be given in the Landisville High school on Friday evening. The bee will be given by the Junior Class of the school and the proceeds used to beautify their room, which they are occupying for the first time this year. Two spelling classes with valuable prizes and two plays will be a part of the program. Also cornet duets by the Erdman twins of Manheim.

### Breneman Succeeds Nephew

Our School Board held a special meeting in the directors room of the school building recently, the purpose of the meeting being to appoint a director to fill the vacancy caused by the death of Dr. J. J. Nephew. Mr. Jos. T. M. Breneman was elected as his successor to fill the office until the coming election. He was sworn in that same evening.

### Annual Meeting of Supervisors

The annual meeting of the supervisors of Lancaster county will be held in the Y. M. C. A. building at Lancaster on Friday, Dec. 9th at 10 o'clock. All road township supervisors are requested to attend. Officers are H. R. Nissly, president; C. C. Greider, vice president; Albert B. Groff, Secretary, H. S. Hunsecker, treasurer.

### Transferred to Bedford

Rev. Clair W. Witmer, pastor of the Bethel Church of God at Maytown, for a number of years, has been transferred to Bedford. During his pastorate in Maytown he built the congregation and Sunday school and many very successful revivals were held there while he was pastor.

### It Makes a Difference

Recently a new butcher, the third in that town, embarked in business in Marietta. One of the old butchers, in order to meet competition, last week sold choice smoked hams, whole or sliced, at 19 cents a pound. Just a week previous he asked nearly twice that much for hams.

### Thrown From a Train

Mr. M. J. Harnahan, of Lancaster, P. K. R. emergency operator, had a narrow escape from death last Wednesday morning, in trying to board a moving train at the tower at Rheems he lost his hold and was thrown to the road. He escaped with a number of cuts and bruises about the face.

### Goes to a New Field

### BREWERY IS RELEASED BY THE U. S. GOVERNMENT

The local revenue office has been officially advised that the Sprenger Brewing Company, at Lancaster, has been released from seizure of the Government, and the warehouse agents on duty there withdrawn. There are no restrictions on the brewery now except as affected by the Prohibition law. This brewery was one of the four in this county, three being in Lancaster and one in Columbia, closed by the Government months ago for violating the law of its pro-duced alcoholic contents. It is the ductions containing more than the first of these breweries released.

### ANTI BEER BILL SINGED BY HARDING

#### MEDICAL BEER IS OUTLAWED AND PHYSICIANS ARE LIMITED TO 100 PRESCRIPTIONS IN 90 DAYS

Washington.—The anti-beer bill was signed Wednesday by President Harding.

Signature of the bill which Congressional action was completed last Friday automatically closed the gap in the nation's prohibition laws, revealed last March by Attorney General Palmer in an opinion that there was nothing in the Volstead act to preclude the prescription of beer as medicine.

The bill signed Wednesday in addition to outlawing medical beer, provides that not more than 1/4 gallon of vinous liquor, or vinous or spirituous liquors separately, or in the aggregate containing more than one-half pint of alcohol, may be prescribed in ten days; that physicians shall be limited to one hundred prescriptions for such liquor in ninety days unless extraordinary reason is presented; that importation of spirituous or vinous liquors is prohibited until the amount on hand shall not be sufficient to supply the current need for non-beverage uses; that private residents may not be searched without a search warrant and that the courts of Hawaii and the Virgin Islands are given jurisdiction to enforce the national prohibition act.

Passage of the anti-beer bill "marks a new step forward in the enforcement of prohibition" Commissioner Hayes said to-night in a formal statement.

The act, he said, strengthens the hands of the prohibition forces in dealing with the alleged medical preparations sold on the open market and used for beverage purposes and also limits the activities of the "few physicians" who were issuing prescriptions for liquor to people not actually requiring it.

### GENERAL NEWS FOR QUICK READING

#### INTERESTING HAPPENINGS FROM ALL OVER THE COUNTRY FOR THE BENEFIT OF BUSY PEOPLE

Senator Penrose is ill.

### CO. FARM BUREAU MET ON SATURDAY

WILL MEET EVERY SATURDAY MORNING, ARE OF GREAT INTEREST TO ALL FARMERS

The Lancaster County Farm Bureau's Saturday Morning Round Table conferences were resumed for the winter season last Saturday Morning. They will now take place every Saturday morning between the hours of nine and twelve o'clock.

The coming Saturday Round Table will be devoted to the subject of "Potato-Growing and Co-operative Seed Buying" and is expected to bring a record crowd of farmers to the Bureau rooms, since never has there been such an intense interest in good seed and modern cultural methods.

Mr. W. W. Gibbel, of Brunnerville, president of the Lancaster County Potato Growers' Co-operative Association, will be present and explain the methods of the association in the securing and distribution of high-grade seed potatoes. It is also expected to have the Round Table several growers who will relate their personal experience with spraying, etc., so that the meeting may be of a high educational value.

The Co-operative Association now has three cars of seed potatoes running, one of Maine Cobblers and two of Michigan Russets, and it is highly important that growers wishing to take advantage of the new association should learn the details first-hand and put in their orders at once. With this in view, next Saturday morning's Round Table feature has been arranged.

#### Demonstrations in Winter Concrete

In co-operation with the Farm Bureau, the Portland Cement Co. is sending its experts into the county this week and next week for demonstration purposes related to winter laying of concrete. Demonstrations in the county are being arranged beginning with December 5, and farmers who have jobs in prospect that can be done in a half day are invited to communicate with the Farm Bureau.

The durability of concrete laid in winter time is what the cement experts come to prove, and with the farmer providing the materials, he will lay, for instance, a floor, build steps, make troughs, or any other minor jobs.

#### Utility Corn Class at State Show

The Lancaster County Farm Bureau during the past year made a strong representation to the management of the State Farm Products Show that a Utility Corn Class should be added to its list—that would induce a greater exhibit, and one of far greater than the ordinary show type of corn. This request has been added. Lancaster county, therefore, as the great corn-producing county of the state, has a chance to carry off first honors, if it will embrace the opportunity, especially with Lancaster County Sure Crop.

The Farm Bureau, therefore, urges a early selection of best ears and asks that they be brought to the Farm Bureau office before January 1, for on that date they must be sent to Harrisburg to put through termination tests, etc., before the Show, which takes place January 23-27. Awards will not be made on "show ears," but rather on strict utility value.

#### Entertained on Thanksgiving

Miss Fannie Shank entertained the following to a Thanksgiving dinner: Mr. and Mrs. C. S. Gingrich, Mr. Aaron Engle, Miss Sarah Engle, Mrs. Sarah Hershey, Misses Alta and Emily Gingrich, Mrs. Katie Weidman, Mr. Christ Weidman, Mr. and Mrs. Emil Meyre of Lancaster.

### STATE POLICE ON DUTY WEST OF ELIZABETHTOWN

Following several attempted highway robberies a squad of State troopers has been assigned to guard the State highway between Middletown and Elizabethtown.

On Wednesday night, John E. Foltz, the 19-year-old son of J. Ezra Foltz, who conducts a creamery at Deodote, was on his way home from Elizabethtown. About half way between the two places three men jumped out in front of his automobile and ordered Foltz to stop.

Foltz kept his car moving however, and reached for a revolver, which he turned on the bandits when they jumped on the running-board of the car. Foltz fired twice, and one of the highwaymen, he says, fell from the machine. The other men, Foltz says, jumped from the speeding auto and sent several shots in his direction.

One of the bullets went through the fender of Foltz's machine, while the others went wild.

#### NEW RIVER BRIDGE AT COLUMBIA TALKED OF

A new bridge across the Susquehanna river at Locust street, Columbia, is the latest project started by the Chamber of Commerce and automobile clubs. The secretary was instructed to communicate with the Chambers of Commerce and automobile club at Lancaster and York and request co-operation in starting the project.

The claim is made that the present bridge across the river there being a railroad bridge is the cause of some traffic being diverted from Columbia and that as Locust street is part of the Lincoln Highway through the town, a bridge leading directly from that street to the York county side of the river would be a great advantage to travelers and motor traffic.

#### WILL HOLD INSTITUTE AT THE E-TOWN SCHOOL

Questions of once vital and instructive will be discussed by capable speakers at the annual teachers' institute to be held in the Elizabethtown High school, next Saturday. The sessions will begin at 9:30 o'clock in the morning and will continue until late in the afternoon.

Among the speakers will be D. H. Singer, S. A. Conway, president of the institute; Prof. E. E. Sloat, Prof. S. B. Landis, Prof. Harry Nye, Miss Marion Hambright, and Miss Emma Ziegler. The subject to be discussed will be Ways and Means of Securing Best Results From the Students.

#### FREIGHT CARS WRECKED IN CRASH AT ROWENNA

Three freight cars were wrecked on Thursday afternoon at Schock's Mills, when a freight train in crossing on to a siding bumped into an empty car. No person was injured. It is thought that the engineer, when he saw the car ahead of him on the siding, applied the brakes suddenly, throwing the cars from the track. Both tracks were blocked for a time until cleared by a wrecking crew from Columbia.

This is the second accident which has occurred at this point within the past ten days.

#### Xmas. Seal Campaign On

The campaign for the sale of Anti Tuberculosis Christmas Seal Stamps will open on Friday evening at the home of Mrs. Joseph Charles, New Haven Street, where the local committee, composed of a representative of each church of the community will plan to reach each home. All the money will be spent in Lancaster County. The Budget for this year, for the County, calls for \$10,000. See in another column what the Anti Tuberculosis Society is doing in our county. Watch next week's paper for the program for the future.

#### Church Raised \$40,000.

The congregation of the Moravian church at Litzitz, has raised the \$40,000 assigned as its quota for the Larger Life Campaign Fund, which is intended to endow the various church enterprises, missionary, educational and literary.

#### Food Sale Dec. 10th

The Ladies' Aid Society of the Lutheran church will hold a food sale also home-made candy and fancy work, at Chas. Redecker's place of business, 34 West Main street, on Saturday, Dec. 10th, starting at one o'clock.

#### Real Estate Doings.

Jacob Ober, of Rapho township, sold his farm consisting of 22 acres to Harvey B. Weber, of the same township, at private sale and on private terms.

#### Ask at Harrisburg.

The forestry department of this state will give away next spring 4,000,000 forest tree saplings for planting—maples, locusts, pines, walnuts, etc.

#### Filed Expense Account

The candidates elected at the recent election have filed their expense accounts. That of Mr. J. A. Bachman, which amount was consumed in transportation.
