

If You Contemplate the Purchase of a New Car

This Spring, or if you are tired of your old car and want to make a change, don't fail to see me before closing the deal. I have, in my estimation, the greatest amount of value in a car for the money to be found on the market today.

The Maxwell Cars

Made in Roadster, Touring, Coupe and Sedan Models, are winners. Their general appearance indicates values worth twice their selling price. All are equipped with straight side 31x4 cord tires, and disc wheels. These cars are well made thruout 35 f. r. horsepower 4 cylinder motors, 56 inch rear springs and are very easy riding.

CAGE NEWS OF THE PAST WEEK

HIGH SCHOOL LOSES A CLOSE GAME TO EPHRATA—HIGH GIRLS WON ANOTHER-OUR LEAGUERS LOSE THREE

Our basket ball teams were having rough sledding since last week. Our League team lost a trio of games; the High School five lost a good game to Ephrata by one point but the High Girls won with ease.

Defeated By E-town
Our Leaguers went to Elizabethtown Saturday evening and lost a very good game by the close score of 24 to 21.

The fives played hard and were neck-and-neck throughout the two periods of play. The close guarding of both teams kept the field goal shooting down. The foul tossing turned the trick for the E-town passers.

Summary:

E-town (24)	Mt. Joy (21)
Heilman forward	Ellis forward
Mackley forward	Brown forward
Hein center	Zellers center
Shank guard	Eshelman guard
Eshelman guard	Shank guard

Field Goals—Heilman 3, Meckley 2, Eshelman 2, Brown, Zellers, Eshelman 2. Foul Goals—E-town, 14; Mt. Joy, 9. Referee, Smith. Timekeeper, Groff. Twenty minute periods.

Hershey defeated Steelton 37 to 28. Marietta tumbled Hershey on Wednesday evening 32 to 24. Manheim lost a game to Steelton by forfeit, the former failing to appear.

High Girls Won
That defeat at Marietta last week only served as a stimulant, as our High Girls had a runaway match with the Ephrata Girls here on Friday evening. Miss Way, with six two pointers, was our best scorer while Miss Garber was runnerup. The visitors did not score a field goal. The lineup:

High Five Lost
The Mt. Joy High School lost a hard fought game of basket ball to Ephrata High Friday night by the score of 31 to 30. It was one of the best games seen here this season as neither team had a lead of more than three points during the entire forty minutes of play. At half time the score was tie at 19 all. Tyndall played the best all around game for the locals with six field goals to his credit while Mumma scored as many points but eight of them were from the free line.

Lost To Steelton
Steelton proved too much for the Mt. Joy club of the Inter-County League in a game here Monday night, the counts going down under the opposition by a score of 28 to 17. Steelton gained the lead early in the first half and continued in front until the final whistle sounded, mainly through the work of E. Krout, who collected five field goals and four out of five foul throws. Zellers and C. Bennett led for the defeated club with a pair of field goals a-piece. Summary:

Defeated by E-town
Elizabethtown turned in its tenth Inter-County League victory last Saturday night by winning from Mount Joy by a score of 25 to 12. The E-Towners guarded their opponents close at all times, limiting them to a pair of goals from scrimmage.

E-Town on the other hand, turned in seven two pointers, every member of the team getting one or more goals except Hein.

The Usual Way.
"Hello, Fred! How did you get on in Scotland?"
"Oh, fine, Jack! We had grand weather all the time. By the by, do you know, I heard a funny thing when I was there."

"Indeed!" said Jack. "What was it?"
"Well, they told me that they didn't hang a man with a wooden leg in Scotland!"
"That's queer!" said Jack. "How's that?"
"Oh, they hang 'em with a rope as a rule!" was the reply.—London Answers.

Pays Bill Many Years Old.
A merchant in Winston-Salem, N. C., recently received \$7.50 from a man who said he had bought a pair of rubber boots from him on credit twenty-six years ago and had failed to pay for them.

Art.
The pick of recent Japanese paintings are exhibited in New York. Observe the subjects: "A Prairie Fire," "Scenes in the Buddhistic Hell," "Weasel," "A Shinto Shrine" and "Yellow Bird on a Blossoming Tree."

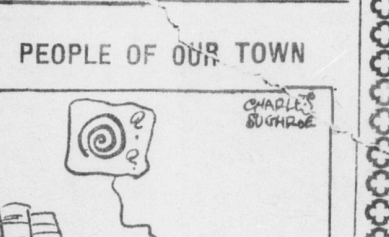

These subjects reveal that Japanese imagination has a tremendous scope. Hence Japs are quick to sense the possibilities of a thing, as shown by their aggressive diplomacy.

But imagination is not all. Japan, within a few generations, will be eclipsed by the plodding Chinese giant, who imagines nothing except facts. That's what made our west-keeping its feet on the ground.

An Assistant Desired.
"Were you sorry when you learned there wasn't a Santa Claus?"
"I'm still sorry about it," answered Senator Sorghum. "Every one of my constituents who wants anything writes and asks me to get it for him."

Goats Furlike Dolls' Hair.
The hair on the heads of most of the thousands of dolls exhibited in shop windows is obtained from the Angora goat.
