## Why Chevrolet Is Becoming The Most Popular Automobile In America

Public favor changes when reasons for a Twenty-five miles on each gallon of gasochange are obvious. Public opinion as to line is not uncommon for a New Superior the most popular car of the future is Chevrolet. It excels in oil economy as

Users of low-priced motor transportation are demanding completely equipped automobiles, modern in every respect, with nothing left to buy but the licence plate. The New Superior Chevrolet is FULLY EQUIPPED, including modern 3 speed and reverse sliding gear transmission standard service and hand brakes, electric starter, demountable rims, water & oil pumps and speedometer.

In addition to completeness, buyers insist daily increasing. on real economy in four important essentials. They demand low gasoline consump- You owe it to yourself to examine the tion; low oil consumption; low repair New Superior Chevrolet, the car which is costs; long tire life. The New Superior establishing new standards in the medium Chevrolet excels in these particulars.

will. Repair costs are low because every Chevrolet part is built to give long life under hard conditions.

These are a few of the reasons why public favor is increasing toward the Chevrolet why it is becoming the favorite low- priced car of America. Chevrolet distribution practically universal. Cars can be bought from over five thousand dealers located in almost every American community, and abroad, and their number is

and low price field.
