Fordson

You Will Want Your Fordson Tractor Early

Everything points to the greatest shortage of Ford products this year that has ever existed.

Never before has the demand been so great.

You will want a Fordson Tractor early-here is one product you cannot wait for-when the weather opens up you

You will want it for plowing, seeding, cultivating—and all your other work. Already it has proved the greatest help to profitable farming that has ever been offered to you. And at \$395 f. o. b. Detroit, the price is so lew that you lose money every day you are without a Fordson. To get delivery you

There are no reserve stocks among our dealers-our production capacity, great as it is, will not enable us to build up

It must be a case of "first come, first served" and the only way in which you can protect yourself is to list your order with a Ford Dealer immediately

By taking advantage of our dealer's first opportunity to make delivery, you will be assured of having your Fordson when you need it.
