### CO. CHAMPION BASKET BALL TEAM

**MOUNT JOY HIGH GIRLS HAVE THAT UNDISPUTED TITLE FOR THE 1922-1923 SEASON**

This week on page 4, may be found a photograph of the Mount Joy High School Girls Basketball team, the undisputed champions of Lancaster County for the past two years. The girls started out last season at a wonderful clip and out of 15 games played, only met with one reverse. This season they played 12 games and won them all. That is surely a record our ladies feel proud of—26 victories out of 27 games played.

Many of those games were played on foreign floors but at home or away from home our girls played the same consistent game.

There is a number of exceptionally good field goal shots on the team and by the scores it will be seen that the girls won nearly all their games with big scores.

The Champions scored 293 points last season against 72 by the opposing teams. Three of the games were shut out without a field goal and three times one foul per game was the only score against them. The highest score against our girls was 13 points by Quarryville.

Not only the school but the town and community are very proud of the team.
