Get the "Quality Habit" Buy Good Furn

Whenever furniture is bought for service and distinction—wherever the idea of home betterment constantly prevails—the low cost of quality is always appreciated. Bargain prices and "long terms"—the red flag of cheapened merchandise—do not fool men and women of discrimination who realize that superior values are the only kind they can afford to buy.

Furniture of merit and true beauty is here in wider selection and at a lower price than you will find elsewhere, considering

There are so many instances where

eech and hearing have been restored severe shock that there is a gennotion among deaf and dumb pers that their salvation rests in this ection. Consequently they are reorting to airplane trips as a means of restoring their functions. The maner of the air station at Croydon England, reports that he is besleged h requests from these afflicted per sons who are hopeful that an experience in midair might supply the nee essary shock. The parents of an afflicted child brought their offspring t the station and made a request tha the child be taken aloft with the idea of possibly curing her, but aside from the tonic effect upon the child there was no other result. The child returned to the ground in a very happy frame of mind and was delighted with her experience. It has been suggest ed that the trip aloft does not have the desired effect for the reason that the various experiences in the air are more or less expected and therefore the element of suddenness and shock
