

NOTED LECTURER WILL SPEAK
HERE ON SUNDAY, MAY 13

LEON C. PRINCE, NOTED LECTURER

Leon C. Prince, noted lecturer, will address the Men's Christian Federation in the Methodist church, Sunday, May 13th, at 2.30 P. M. He will give his famous lecture entitled "The Man Who Dares."

This is an open meeting for all men and boys, women and girls. It is rare that a man of Dr. Prince's calibre visits Mount Joy. This is an exceptional opportunity to hear one of our greatest orators.

Dr. Prince is a man of stirring worth, a prince among men; and, as a public speaker, he is in a class by himself; a perfect master of English and a style that is superb.

The lecture is uplifting and inspiring and sends you out with the determination and courage to be "the man who dares."

You will want to hear such a man and such a lecture. Better come early if you want a seat for the place will be packed.

HERSHEY BROS. BUY THE
PENNA. CHOCOLATE CO.

The sale of the Penna. Chocolate Company to the Hershey Brothers, of Harrisburg, was announced yesterday. The new owners take possession at once, abandoning their Harrisburg plant. Operations at the Pittsburgh factory will continue without interruption.

Their New Building
The factory located at 5850 Centre Avenue, was built in 1906 and in 1918 was enlarged to about three times its original size. It contains 13,000 square feet, all of which will be used by the new company and is said to be the second largest chocolate factory west of the Allegheny mountains.

Hershey Bros. will continue to manufacture products by the Penna. Chocolate Co., under the trade name of Zay-Tek, together with other products formerly manufactured in their Harrisburg plant. The combined yearly sales of the two companies are over two and one-half million dollars. Between three and four hundred men and women will be employed in the new plant.

Mr. Roy Z. Hershey will represent the Company as General Manager; M. H. Saxo, sales manager, F. H. Stevens, General Supervisor; and John Sisk, Credit Manager. Many of the old employees of Hershey Bros. and the Penna. Chocolate Company will be retained.

Hershey Bros. have large interests in the milk industry, having plants at Harrisburg, Chambersburg and Lancaster, Penna. and Hagerstown, Md.

ANNOUNCEMENT

OF INTEREST TO

Millions of Families

"I WILL BUILD A CAR FOR THE MULTITUDE"

Said Henry Ford in 1903—Read how the fulfillment of that prophecy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the Universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your Ford Car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest. Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little. Why not start today? Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a Ford car.
