JAPANESE ARE GOOD FLYERS

A rather curious report current two or three years ago with reference to Japanese aviation is recalled by an interview in London with the Master of Sempill, who has just returned after spending many months as head of the British air mission to Japan.

Head of British Air Mission is of Opinion That They Positively Have No Nerves.

Nowadays when the family is on the porch evenings, it is a safe bet that the little old flivver is undergoing repairs.
