Only A Dog

Three months back there came to home in Mount Joy a five months and when presented by a Lancaster in six or eight inches of good clean garbage collector. friend to Mount Joy folks, found a home in the truest sense of the word, home. She was treated kindly by worshipped this pretty yellow and white dog. She would try to steal away with the boys to school and only was happy when she heard their cheerful voices at noon or night. As the days came and went this friendship became more pronounced, the dog became a part of the lives of the two boys and the little girl, to say nothing of the older ones of the fam-

There is the sunny side and then comes the clouds and the storm in every life, be it that of man or animal and the dark side came on dams County spent the week-end Mr. and Mrs. Henry Miller and Thursday, January 24. When the dog attempted to cross Main street to reach his home, a reckless driver of an auto struck Princess, passing over the body near the shoulders and crushing the life out of a faithful animal; causing heart aches among those who loved her, though to the thoughtless and reckless driver, only

> The same day this particular case happened another dog met the same fate. Now, these dogs were taxable property and the taxes paid, and subject to protection, not inhuman treatment.

> We appeal to those in authority to wake up to the fact that while some one would say, "Oh, it was only a dog", the next may be your child or mine.

We have laws in regard to traffe through the borough of Mount Joy, see that they are enforced, not for one or two days but every day until Mount Joy streets are safe for man W. D. Chandler and beast.

Prices of dairy products did not suffer as much from the drastic deflation following the post-war period as did other farm products, says the er of members of the sewing circle United States Department of Agri-Butter, cheese and milk cultire. Our prophet says two of our have sold at prices remunerative to oung sons will before April first farmers. Butter is now higher than the general price level. Cheap feed Mr. and Mrs. Clyde Fellenbaum in western butter districts, and high prices and some curtailment of production in milk districts, have enabled dairy farmers to weather the storm with less adversity than farmers producing commodities a part of which must be exported. When he stopped his team to get it Poultry and eggs have also continued on a fairly profitable basis.

Over 100 quarts of canned vegetables are in the pantry of a Washhe neared Charles he put on power ington County, R. I., farm family and sped away with the robe.
