CLAIM PHEASANTS ARE AN ENEMY OF THE BEETLE

The ring-necked pheasant, protected in Lancaster county until 1925 by the State, is an enemy of the Japanese Beetle which has caused so much destruction in adjoining counties.

The poison spray used by government experts to kill the Japanese beetles has been fatal to a large number of pheasants.

Plan Field Day at Milton Grove

(From page one.) building for entrance to the High school in the fall. Any pupil was eligible to take this examination upon writing an essay, business letter or rendering a recitation.

Twenty-two applicants from the Mt. Joy township schools, within a radius of five and six miles, took the entrance examinations to the Milton Grove High School for next fall.

The Milton Grove Alumni were practicing baseball over the weekend in preparation for the game on April 24 with the High School.

Prof. John Bechtold, our local apple dealer, had his surplus apples ground into cider and then several women of Milton Grove boiled apple butter for him.

Rev. Jacob Gingrich will preach the baccalaureate sermon to the graduates on Sunday evening, April 27, at the Milton Grove Evangelical church. The senior class is preparing a special program for this occasion.

Demonstrating one of the first Bell Telephone sets made. This set was designed in 1878 by Thomas Watson, assistant to Alexander Graham Bell, who invented the telephone in 1876.

Most of the township schools will close during the last week in April.

The new barn on the farm of Harvey Wittle was erected and painted.

A. S. Holwager is still stripping tobacco but expects to finish this week.

John Kauffman is busily engaged steaming tobacco beds and an increased acreage of tobacco is forecast.

D. H. K. Ober, president of Elizabethtown College, will address the audience on Commencement night, April 29, at 7:45 o'clock.
