### Many Advantages in Country Life

HON. H. FRANK ESHLEMAN GIVES MANY REASONS FOR APPRECIATING LIFE IN RURAL DISTRICTS

(The following are extracts from an address delivered by H. Frank Eshleman, of Lancaster, given Friday evening before the Drumore High School Alumni, at Chestnut Level.)

In order to be happy, most people must seek some other object in life than that of making money or even of establishing a business. In this life there never was more than a mere insignificant per cent. of the people who got or made much money out of life; and there never will be more than a small per cent who will gain wealth. Therefore, unless we adopt some other means of happiness, it is a certainty that the greater number of us, in fact most of us, will go through life unhappy. That manner of facing life is useless and needless. There are many other good things in life and because we cannot attain the one we set out to reach, is no reason why we shall not shift our purpose and fix on some other objective which we may realize. It is silly to waste life in being unhappy. Life is a precious and glorious thing and we have only one chance in all time.

Your education, during your school days, dear alumni, will have helped you immensely if it has taught you this truth which I have just stated. If your school days did not lead you to that truth, then for goodness sake adopt the truth now and live up to it.

If you have not yet found happiness in life in the means you have acquired or in the achievements of (Continued on page five.)

### LOCAL FIREMEN PUBLISH CREDITABLE SOUVENIR BOOK

Our local firemen are now distributing a souvenir book that is full of good information relative to the firemen's convention here next month. It contains a list of all committees, a complete roster of all the fire companies in the county and much other valuable data. In addition the advertising columns are very well patronized. The book is certainly a credit to all who took part in the work. It is the product of our jobbing department.

### Better Chain Those Dogs

There is considerable complaint about dogs being allowed to roam at will thruout East Donegal, especially in the vicinity of Donegal Springs. They destroy young game, particularly rabbits. The owners had better take warning and chain them before some game commissioner gets wise or they may be put to some expense.

### Dedication of St. Mark's U. B. Church

CONTRIBUTIONS AND PLEDGES TO THE AMOUNT OF \$10,000 WERE MADE AT THE SERVICES

The new church auditorium of St. Mark's United Brethren church of this place, was dedicated last Sunday with an all day service, and a crowd of people at every service. Bishop Bell, D. D. LL. D., Bishop of the East District, of Harrisburg, Pa., preached in the morning and afternoon on the theme of Christianity at work.

Bishop Bell is one of the most scholarly and eloquent speakers in the church and always attracts a large audience. Greetings from the pastors of the town were given for their congregations during the day. All the local pastors were in attendance at one or more of the services as well as a number of United Brethren ministers. They were as follows: Revs. O. T. Ehrhart, C. H. Holzinger, Lancaster; M. H. Miller, Florin; C. A. Lynch, Ephrata; A. L. Haessler, Manheim; P. B. Gible, Palmyra; S. C. Kaufman, Neffsville; C. A. Snavely, Harrisburg, C. L. Early, Harrisburg.

The evening sermon was preached by Dr. S. C. Enck, Conference Supt. who was present all day and had charge of the finances. Dr. Enck spoke on the theme of "Having an Aim". The services throughout the entire day were inspired by the splendid music from the choir, with anthems and quartettes in charge of E. W. Bentzel, with Miss Pearl Myers at the organ. In the afternoon the Bishop's Quartette rendered several fine selections.

The Building Committee, which is composed of Dr. E. W. Newcomer, H. N. Nissly, E. W. Bentzel, L. L. Charles, H. G. Longenecker and the Pastor, deserve a great deal of credit for their earnest efforts in the erection of this splendid church, and the congregation and friends of the church have shown their appreciation by contributing and pledging over \$10,000 to be paid within one year.

The dedicatory service was in charge of Dr. Enck, assisted by Rev. M. H. Miller and the pastor. This service is most impressive and solemn. The services will be continued throughout the week, closing on next Sabbath with a sermon by Rev. P. B. Gible, of Palmyra, in the morning, and the Baccalaureate sermon to the graduates of the High School at 7:30 by the pastor.

BONUS BILL ENACTED INTO A LAW MONDAY

The soldiers' bonus bill finally has become a law.

The measure which has been the subject of a fight between congress and two successive presidents, was repassed Monday by the Senate over President Coolidge's veto by a vote of 59 to 26.

This was a margin of two votes more than the two thirds majority as compared with the 52 votes there were to spare when the veto was over ridden in the House last Saturday.
