# The Literary Spotlight

issue of Hearst's International, has the Moon. The real Kipling twist. It is the story of one of those quiet insignificant written to the tune of camels' bells men whom the war brought from the God-forsaken sheep-walk of Australia, a man used to the open sky, to loneliness and to sheep, "the one created thing he'd ever open up on." Hickmot had a knack for occluding his personality "like turning off a tap." He was a natural born camouflager. He could camouflage himself and he could camouflage himself and he could camouflage air raids to

To Tune of Camels' Bells two papers at once thereby getting himself dismissed from both—a deductions on the London stage Fay.

during the past season was If Montague's stage is built

NE of the most successful productions on the London stage during the past season was that of James Elroy Flecker's play, Hassan, enacted accord-ing to the text of an edition recently Grath the lean exile from Erin are issued by (William Heinemann, Ltd., London). In his short career Flecker er was a goodly man and just and probably never wrote a more fearsomely beautiful piece of literature, and, with the recent publication of well skilled in the ethics of petrisomely beautiful piece of literature, faction." but Fay had a way with and, with the recent publication of well skilled in the ethics of petrisomely beautiful piece of literature, and with the reduction, it is coming into an inevitable if tardy popularity.

Hassan is an Oriental drama that a certain class of men, "bloss exeven a lover of the Arabian Nights acting servants of mankind" "bittermight approve. There is in it none ly set on doing the masses good." It of the tinseled gaudiness of the oon- is sharp, but it is not utterly unventional Occidental conception of land.

By MARION ELLET HE time is at hand, it seems, Arabia. Flecker caught the unrelent-when the World War is com- ing fatalism of the wisdom of the ing into a proper literary East and the cold aloofness of her perspective and real war splendor. In his story he tells how "yarns" may be written. Hassan, one confectioner of Bagdad, There are already fewer novels and came to make "the golden journey to magazine stories giving voice to the Samarkand," how he learned of the soul-travail, the heart-ache and the treachery of princes, and saw two grief that are part of the frightful lovers choose between eternal separation and a day of happiness closed
