## An Aged Mailman Killed By Cyclist

MR. HENRY MILLER, AGED 82 YEARS, OF FLORIN, STRUCK AND DIED IN THE GENERAL HOSPITAL.

Mr. Henry Miller, aged 82 years, was fatally injured near his home at Florin about 7:15 Monday night when struck by a motorcycle. He died at 7 o'clock yesterday morning in the Lancaster General Hospital, to which institution he was rushed in the ambulance soon after the accident.

Mr. Miller, for many years an employe of the Florin post office, was on his way with a mail sack from the station to the post office when the accident happened. In crossing the street in front of the Florin Trust Company he failed to notice the approach of a motorcycle, driven by Maurice Gainer, of Elizabethtown, going west, and Gainer apparently did not see the aged man despite the fact that he carried in one hand a lighted lantern, as was his custom at night. A footrest on the motorcycle struck the pedestrian and threw him to the ground and the machine toppled over onto him, inflicting further injuries. Mr. Miller's leg was broken and he suffered internal lacerations.

With the assistance of Gainer and several passersby the man was carried to his home and Dr. Winfield M. Thome, deputy coroner, of this town, was summoned. He advised immediate removal to the hospital.

Mr. Miller made his home with his daughter, Mrs. Josephine Myers, at Florin. In addition to the daughter, he is survived by two grandchildren, Theodore Myers, an employe of Bachman Chocolate Company, and Miss Pearl Myers a school teacher, both of whom reside at home.

The body was taken in charge at the hospital by Undertaker H. C. Brunner, of this place, who prepared it for burial.

He was aged 82 years, 5 months and 27 days. Deceased was a shoemaker by occupation and conducted a repair shop in Florin for many years. He is the last of his family.

## Fire Destroys a Large Warehouse

MR. ISAAC SIEGRIST, EXTENSIVE PACKER OF NEAR HERE, SUSTAINS A LOSS OF ABOUT \$35,000.00

Fire of unknown origin early Monday morning destroyed the frame tobacco warehouse, with all contents, owned by Isaac C. Siegrist at Farmdale, about three miles south of this place.

The loss will amount to \$35,000. Mr. Siegrist said, but of this damage the value of 450 cases of tobacco, which burned in the blaze, will be recovered through insurance. No insurance was carried on the building.

Although the cause of the fire could not be determined, it is believed to have been incendiary in nature. Mr. Siegrist, who lives at Mount Joy R. D., declared he was unable to understand how the blaze could have started by natural causes.

At 3:30 o'clock Monday morning Mrs. Samuel Heisey, who resides near the burned warehouse, happened to glance toward the structure and saw it in flames. Just a half hour earlier her daughter had also looked toward the warehouse and at that time no flames were visible.
