Do you contemplate doing any painting next Spring? If so, the first thing to consider is **GOOD PAINT**. Don't use a paint just because it is cheap, but apply a good paint that is the best in the end. I handle the well known **PAINT**, Breising's Ready Mixed, Pure Linseed Oil, made by the Allentown Mfg. Co. The fact that I have been using this particular paint during the past 34 years should be evidence enough that it is real paint. I also handle Oils, White Lead, Varnishes, Etc.

I will be pleased to quote prices when you are in the market.
