

MICKIE, THE PRINTER'S DEVIL

OH GOSH! HERE'S POOR ME, GOING HOME FROM THE FIGHT OF MY LIFE, AND HERE COMES THE YOUNG PEST, FULL OF CURIOSITY, MINDIN' OTHER PEOPLES' BUSINESS, AS USUAL!!

OH, GRACIOUS! HAVE YOU BEEN ENGAGING IN VULGAR FISTICUFFS? HOW TERRIBLE! YOU DON'T KNOW HOW YOU GRIEVE ME, REALLY YOU DON'T - I'M SO SORRY TO FIND YOU IN THIS CONDITION!

PAROON THIS VAGRANT TEAR, BUT I DO GO REGREY FINDING YOU IN THIS CONDITION!

WELL, IF YOU'RE THAT SORRY - I FORGIVE YOU!

Just Plain Foolishness

THE FLORIN HEAT FOLKS. THEY USED TO SHUT OFF SOME OF THE ROOMS WHEN WINTER LOOSED HIS CHILLY GLOOMS. BUT NOW YOU OUGHT TO HEAR THEM BOAST BECAUSE EACH ROOM IS WARM AS TOAST. WHEN you slow down your heater the Heat Folks again show their worth. They keep pace with your requirements. Here is twelve-cylinder coal—you can slow down to one degree an hour and never stall your fire. And the Heat Folks have plenty of pick-up, too. From a standing start they will outdistance any cold with the minimum of fuel. Call the HEAT FOLKS For Good, Clean Coal Daniel M. Wolgemuth FLORIN, PENNA. Phone 151R4 Mt. Joy Exchange

River Highway Plans Praised (From Page 1) for a joint picnic of the Auto Club and River Road Association with their families, to be held in Duffy's Park, near Marietta, on the second Thursday in August. David L. Glanville, county treasurer, addressing the club, stated that the county commissioners have agreed to go 50-50 in paying the cost of the reconstruction of the road between Columbia and Washington Borough. The balance of the expense to be borne by Columbia, Washington Borough, and the supervisors of Manor township. It is estimated that the cost of the three miles will be about \$6,000. On the adjournment of the meeting of the Auto Club, the River Road Association went into session with I. Kuntzelman, president, in the chair. Amos Shenk made a report on the construction of the new road between Chickies and Watt, which will probably be completed within a month or six weeks. Mr. Shenk gave praise to the State Highway Department for their promptness in beginning the construction of the road. On motion of Mr. Shenk the association will send a letter of thanks to the State Highway Department and a rising vote of thanks was given the committee of the association for their efforts in bringing about the construction of the road. Edward Miller spoke of the many problems that confront the association as to the condition of the road between Middletown and Washington Borough, which should be solved by the residents living along the road. He suggested that the road be divided into zones with a committee named from each zone by the president, to look over the weak spots, then meet with the board of governors of the association and make a program to be laid before the State Highway Department. On motion of Amos Shenk, President Kuntzelman was empowered to name the committees and zone the road as he believed to be in the best interests of the association. The association voted Mr. Shenk the sum of \$25 to cover the personal expense incurred in securing the construction of the new road between Chickies and Watts.

PENNSYLVANIA WEEKLY INDUSTRIAL REVIEW "A good local paper makes a good local community," says the Spokesman's Review. "The well-edited paper is a distinct advantage to its community and serves a need that will always exist. It prints the current news of the community and, with a capable editor, it becomes a real factor in the upbuilding of the community. It can and does accomplish much for the community. It can and does accomplish much for the commonwealth. It reflects the character of the community itself. It aids materially in the direction and assistance of all community development, both industrial and educational. It could not survive one year if no need existed or it failed to fill the wants." Pitts—Pitts Hospital to have \$300,000 addition. Philadelphia—Ground broken at University of Pennsylvania for anatomical laboratory to cost \$1,300,000. Honesdale—Contract let for constructing two new schools at \$75,000 each. Hallstead—River road from this place to State line will be paved jointly by state and county. Gettysburg—Work started on new \$50,000 sewage treatment plant. Easton—First section of new stadium at Lafayette College being built at cost of \$200,000. Hazleton—\$350,000 theater under construction on Broad Street. State Highway Department reports all stone roads in state oiled. McKeesport—Contract let at \$323,000 for erection of new hotel at Fifth Avenue and Strawberry Street. Herminie—Plans under way for constructing \$100,000 school here. Irwin—Work on Norwin athletic field progressing rapidly. Manor—Construction of Manor-Harrison City road begun. Irwin—Ice company organizes with \$20,000 capital. Latrobe—Natural gas struck at 7,428 feet in world's deepest well. Scranton—Boulevard lighting system being installed on Wyoming, Pennsylvania and Franklin Avenues. Philadelphia—New lamps placed along Roosevelt Boulevard. Columbia—Many improvements being made to interior and exterior of fire company's house. New Cumberland—City to spend \$3,000 for construction of sewers. Conneaut Lake—Wells to be abandoned and water supply taken from lake. New Wilmington—Improvements being made at Methodist Episcopal Church. Kennett Square—New lighting system being installed. Stowe—Brick mfg. concern buys new machinery and turns out 12,000 bricks a day. Scranton—New passenger and freight station to be constructed here. Landsdale—Ground broken for erecting first unit of Domex Floor and Wall Tile Company's new factory. Morrisville—Paving under way on South Pennsylvania Avenue from Bridge Street to Van Zant Avenue and Philadelphia Avenue from Pennsylvania Avenue to the new road. Pittsburgh—Pennsylvania Railroad starts extensive improvement program in this city. Irwin—The viaduct being constructed across the Ligonier Creek at Long Bridge nears completion. Kittanning—Methodist Protestant Church building new structure on corner Union and Woodward Avenues. Blackwood—Blackwood - Woodbury road completed at cost of \$207,000. Kittanning—Contract let at \$20,072.91 for erection of steel and concrete bridge over Plum Creek on Kittanning-Indiana road. Lykens—City streets being repaved. Point Marion—Bids requested for paving three streets here. Scranton—\$5,000 filling station being erected on Hickory Street.

Base Ball Notes During the Week LOCAL NINE PLAYED MANHEIM COUNTY LEAGUE OUTFIT AT MANHEIM WEDNESDAY EVENING Mount Joy could not cope with the smooth working Manheim team in a twilight game at Manheim last Wednesday evening and the County League nine won a flashy 7-2 victory. Mount Joy batters were helpless before the masterful pitching of Reigel, they accumulating only two hits and being unable to score until the final inning when both their tallies registered. Four stickers were accorded free tickets to first but nine hit nothing more substantial than the zone. Blantz was the only player to get two hits, although Gochenauer and Reigel each drove the ball for three bases. The score: Manheim r h o a e Conrad, cf . . . . . 2 0 0 0 0 Pierce, c . . . . . 1 3 0 0 0 Gochenauer, ss . . . . . 1 1 3 2 0 H. It Covers. Because of a higher percentage of pure linseed oil, extra fine grinding of materials and Lucas' superior methods of combining all ingredients into one perfectly finished product, you are assured greater covering qualities, better hiding properties and effective penetration. A gallon of Lucas Tinted Gloss Paint will cover 400 or more square feet, two coats, where ordinary paint will cover only 250 to 300 square feet, two coats. Thorough penetration insures firm anchorage of the paint film and protection of the surface. IT COVERS more square feet per gallon and more thoroughly hides the surface, due to finer grinding of materials, a higher percentage of pure linseed oil, and LUCAS superior methods of combining all ingredients into one perfectly finished product. IT BEAUTIFIES and its beauty lasts because of its high gloss and clear, perfect shades, made with pure tinting colors of Lucas' own manufacture, possessing maximum permanency. IT LASTS longer because it is made of highest grade materials, carefully selected, scientifically combined by skilled workers of long experience. IT PROTECTS positively because its smooth, glossy surface is resistant to weather. Its elasticity prevents checking or cracking during temperature changes, consequently preventing moisture, the cause of decay, from getting to the underlying surface. IT IS ECONOMICAL Its GREATER COVERING CAPACITY reduces the cost of application. Its GREATER LASTING QUALITY decreases the cost per year of protection. Its GREATER PROTECTION saves costly repairs. Its GREATER BEAUTY increases the value of your property, reflects prosperity and radiates happiness. You can give your property this unusual protection through convenient time payments. Let us tell you how. H. S. NEWCOMER & SON Mount Joy, Pa. Lucas Tinted Gloss Paint

NEW IDEAS IN HOME COMFORT FOR SUMMER Summer is the one time of the year when home enjoyment depends upon the furnishings. Here are new ideas for making your home more comfortable for the warm days. NEATLY DESIGNED DRAPES FOR EVERY ROOM IN THE HOME Especially interesting will be found this showing of new summer-weight drapes. Fix up the dining room for the warm weather. Food will taste better, and appetites will be tempted by new furnishings. H. C. BRUNNER West Main Street, MOUNT JOY, PENNA.

JUST WHAT HAPPENS WHEN ADVERTISING CEASES The spasmodic advertiser will greatly profit by the experience of both the following business houses. Here's exactly what happens when advertising ceases: A generation ago "St. Jacob's Oil" was one of the most widely advertised products in America. It was a patent medicine enjoying enormous sales. When Charles Vogel, the head of this business, died, an "expert" went over the balance sheets and saw the enormous advertising appropriation. This "expert" trimmed the advertising expenditure to a few dollars, reasoning that St. Jacob's Oil was so well known that it was unnecessary to spend money any longer to advertise it. Orders dwindled as advertising contracts ran out; business departed, never to return and it is safe to speculate that hardly one in 50 who reads this article remembers or ever heard of St. Jacob's Oil, one of the best known products on the continent 35 years ago. A similar thing happened to James Pye's "Pearline"—a company which used a \$500,000 advertising fund as far back as 1904 and was one of the best known products in the entire world. The ad fund was "lopped off"; the business went dead. It tried unsuccessfully to make a come-back in 1914, and sold its plant for junk to a large soap manufacturer. Killing off the ad appropriation wrecked both of these prosperous businesses and it would do the same thing to almost any great advertising concern today.

DATES SET FOR THE ANNUAL CAMPMEETING The thirty-fourth annual session of the Mt. Gretna United Brethren Campmeeting and Bible Conference will be held from August 4 to 13. The committee has prepared a program for this year, having secured the following speakers: The Rev. Dr. David Hughes, of Baltimore, Md.; Dr. J. B. Showers, of Dayton, Ohio; Professor A. T. Robertson, of Louisville, Ky.; Bishop W. M. Bell, of Harrisburg; and the Rev. P. B. Gibble, of Palmyra. Dr. Robertson will speak on the Book of Romans. The anniversary of the Community Men's Bible Class of Mt. Gretna, will be held August 9. Professor B. W. Fisher, of Lancaster, will deliver the address. The Mt. Lebanon Campmeeting will be held July 21 to 29. Educational Day will be observed July 24, when the sermon will be preached by the Rev. G. D. Gosard, D. D. of Annville, president of Lebanon Valley College. On Sunday forenoon, July 25, Bishop Bell will preach. The Stoverdale Campmeeting will begin July 31st for ten days.

PUREBRED LIVESTOCK BRINGS BETTER RETURNS In every important point of comparison, purebred animals show superiority over grades and especially over scrubs, according to reports from farmers received by the Bureau of Animal Industry, United States Department of Agriculture. In the experience of stock owners who are in a position to make comparisons, purebred animals produce better meat, develop more rapidly, are more uniform in quality and appearance, sell better on dull markets, and bring better prices. The following typical comments illustrate the success which many breeders have had in disposing of purebred stock as meat animals: "I always find that purebreds are ready for market in far less time than scrubs and grades." "Our bull veals at 2 weeks old are as large as scrub calves at six weeks." "I find I can get around 2 cents a pound more, live weight, for purebreds, as they are more uniform." "With hogs, purebred litters are more uniform in size, develop more evenly, and put on fat more quickly."

TWO BABY QUAIL ARE ADOPTED BY TURKEY HEN When two "baby" partridges lost their mother hen on the Geo. Schropp farm, three miles southeast of Quarryville, a week or so ago, the turkeys joined a flock of eight small partridges belonging to Schropp. The turkey hen adopted the wild newcomers without any fuss and visitors to Schropp's farm say the partridges are adopting turkey traits and taking orders from the turkey hen just as though they actually belonged to her family.
