Big Road Project In Mount Joy Twp.

CO. COMMISSIONERS AUTHORIZE PAYMENT OF SHARE IN IMPROVEMENT WORK

The Board of County Commissioners today authorized the payment of \$5,715.97 to Mt. Joy township, as the county's share in a \$23,000 road improvement project in Mt. Joy township. The project includes the improvement of three roads, for a total of approximately seven miles and the construction of two concrete bridges.

The work is being fostered by the supervisors of Mt. Joy township, on the state reward plan, in which the state pays 50 per cent, the county 25 per cent and the township 25 per cent of the cost. The county's percentage of the total costs amount to the figures mentioned above.

The roads in which improvements are being made are: The Hummelstown road leading off the state road north of Elizabethtown and running to the Dauphin county line one and one half miles.

The road running from Elizabethtown toward Risser's church to Magheim, four and one half miles. The road leading off the Harrisburg state highway to Grand View school house, which road continues on to Milton Grove, one mile.

The two bridges to be built are: Lake bridge, east of Elizabethtown near the Elizabethtown College; and a bridge on the road from Risser's church to Lawn.

Mt. Joy township is steadily putting its roads in good shape. In addition to the above projects the supervisors are planning more state reward projects for this year, and will take up the work as soon as the State Highway Department is ready to do its part.

The supervisors of the township are: Ira G. Fess, Eli W. Brandt and James M. Berrier.

CANVASS AMONG THE GROWERS THROUGH THIS SECTION WILL BEGIN THIS WEEK

E. K. Hishman, of Ephrata, assistant to the president of State College, was elected president of the Pennsylvania Tobacco Growers' Association at a meeting Friday evening. Other officers were elected, a board of 15 directors was named, and everything set for the canvass of growers.

The other officers are: B. Frank Snavely, Rapho, first vice-president; Harvey E. Heller, East Lampeter, second vice-president; J. C. Brubaker, Litzitz, third vice-president; W. J. Neuhauser, treasurer and T. W. Kemp, secretary.

Because only members of the association are eligible to vote, the present officers and board were elected by a small minority, though 35 growers signed contracts at the meeting to have the opportunity to vote.

It is planned to have the necessary 75 per cent of growers signed up by October, otherwise the contract becomes invalid, if the signer so desires.

Aids Police to Recover Autos

LANCASTER AUTO CLUB DIVIDES COUNTY INTO DISTRICTS WITH MEN IN CHARGE

The Lancaster Automobile Club has divided the county into districts, with a man at the head of each, to help municipal and state police in finding stolen automobiles. Each district man will have nine others whom he will notify, and who will be on the lookout for the machine. In this way the club officials believe they can cover the entire county within a short time after a machine disappears.

President Gable, at a recent meeting in New Holland, named the following district men: Levi F. McAllister, Quarryville; H. N. Homsher, Bartville; J. Wade Gay, Strasburg; P. Morris Eaby, Intercourse; J. P. Rutter, New Holland; Dr. J. B. Reemsnyder, Ephrata; H. E. Trout, Manheim; H. H. Stern, Elizabethtown; F. L. Spence, Columbia; M. S. Fought Stubborn Fire at Rheems

COMPANIES FROM HERE AND ELIZABETHTOWN RESPONDED WHEN HOWARD SIPLE'S BARN BURNED

Fire of unknown origin destroyed the barn on the lot of Howard Siple, at Rheems, and for a time menaced a nearby tobacco warehouse and several other buildings Saturday morning. An Overland automobile, and all other contents were burned. The loss is estimated at from \$2,500 to \$3,000.

The flames, which broke about 7:20 o'clock, were discovered several minutes later. Fanned by a strong northwest wind they made rapid headway and the entire structure was ablaze by the time the village fire company reached the scene. When it was seen that the warehouse, containing about 300 cases of tobacco, and a barn nearby were in danger of catching fire, a summons was sent to Elizabethtown and another to Mount Joy for aid. Companies from each of these towns responded.

With difficulty the firemen kept the flames from spreading to the adjoining structures. This they did however, and neither was damaged. The Siple barn was a total loss.

Mr. Siple says that he can ascribe no cause for the blaze.

It was through the heroic efforts of the Rheems fire company, assisted by the companies from here and Elizabethtown, that the adjoining buildings were saved.

Bicyclist Injured, Was Taken to the Hospital

Struck from behind by an automobile while riding his bicycle down the Main street, of Flogins, Saturday afternoon, a 15-year-old Samuel Vogel, son of auctioneer George S. Vogle, Florin, was severely bruised about the head and body.

An X-ray examination taken Monday morning showed that he was not seriously injured, however, but was suffering from shock and severe bruises.

According to witnesses of the accident, the boy was peddling in front of the approaching machine. He slowed up suddenly and was struck before the driver of the machine could bring it to a halt.
