Of Interest to Every Woman in Lancaster County Wishing to Save on the Most Wanted Summer Dresses

Lancaster's Greatest Dress Achievement ow Holds the Center of the Stage, Involving the Largest Numbers of Dresses Any Store in Lancaster and for Miles Around Ever Offered in a Special July Sale

6,637 Dresses at Tremendous Savings \$1.50--\$2.50--\$4.50--\$6.50--\$9.50

Every size is here—Juniors, Misses, Women's Regular Sizes and Stout Sizes.

And the dresses average less than half of the regular selling prices this season.

The story as to how we procured them is interesting, but rather lengthy, so we are going to make it as short as possible telling only a few of the necessary facts as follows:—

We set out to give the greatest dress values that any store has given this year. Not only as far as values that any store has given the greatest dress values that any store has given the greatest dress values.

ues are concerned but in the variety of styles, materials and colorings. And after looking at the 6,637 dresses hanging in readiness for this event one feels that surely we have succeeded.

At the beginning of our search for dresses, New York resident buyers somewhat discouraged us by advising us that the season was brisk and manufacturers would not consent to sell at big price concessions, but we were not dismayed as we know and solve the season was the season when the season was the season was the season when the season was the season was the season was the season when the season was the season was the season was the season when the season was the season when the season was the season when the season was th we were not dismayed as we knew our cash buying and selling methods would be the means of many a maker

setting aside his usual policy to obtain ready cash.

At any rate we went to Philadelphia and New York and combed the markets and found a goodly number of our regular makers willing to sacrifice to help as offer the extraordinary in dresses to the Women of Lancaster City and County.

Women—and Men, too—who know Dresses—after examining the beautiful materials, noting the styles and smart colorings of these garments will say: "How in the world can they do it?"

We have only this to answer, "We do it because it is the biggest thing we can think of to do for our customers right now.".

Great preparations have been made to serve the crowds who will come. At \$1.50 are regular \$2.95 to \$3.79 dresses of broadcloth, linene and voile. At \$2.50 are regular \$4.00 to \$5.95 dresses of highly mercerized broadcloth, cotton in tub silk patterns which have been frequently sold this season as Tub Silk, Rayon Dresses, pure linen dresses, printed voiles, Normandy Voiles, French voiles and genuine pure silk tub dresses

At \$4.50 are regular \$7.00 to \$10.00 dresses of silk mixed crepes, pure silk crepes, fine lace dresses, high grade voiles, a few all white wool Flannels and a small group of black satins. At \$6.50 are regular \$9.00 to \$13.95 dresses in smart silk crepes, bordered crepes, soft cantons in tub striped patterns, printed pussy willow silks, smart plain color georgettes, plain white tub silks and a variety

At \$9.50 are regular \$13.95 to \$25.00 dresses of extra fine quality Canton Crepe, Satin faced Canton, plain color Georgettes, plain Silk Crepes, Zephyrspun Washable Silk and of course the high grade Printed Crepes and Radiums and extra fine tub silks in stripes.

And don't forget our entire stock of strictly summer Silk Dresses have been drastically reduced to conform to these amazingly low sale prices. P. S. Owing to the unheard of large number of dresses in this sale the choosing will be splendid for a week or two and if you can't possibly be here Saturday then plan to come next week.

Read our advertisements daily in the Lancaster Morning News-Journal and the evening Intelligencer—they tell you where to obtain needed things for self or home at lower prices made possible by our cash buying and cash selling policy.
