Our Fourth Annual Community Exhibit

WILL BE HELD IN MOUNT JOY THREE DAYS NEXT WEEK—OCTOBER 22, 23, AND 24

The Fourth Annual Community Exhibit will be held here the last half of next week, Thursday, Friday and Saturday, and there is every indication that we will have some fair. A large number of entries have already been received and if the number does not far exceed all previous exhibitions here, we miss our guess.

All the exhibits will be displayed at three places. In the West end E. B. Rohrer's garage and the former Market House will be used as a show room and in the East end H. S. Newcomer & Son's garage will be used.

The distribution will be as follows: Newcomer & Son's Building—Small Grain, Corn, Tobacco, Poultry, Eggs, Canned Foods, Jellies, Preserves, Baked Goods and Dry Goods.

Rohrer's Building—Fruits and Vegetables. Moyer's Building—Sewing, Knit Goods, Flowers and School Work.

Mr. E. W. Newcomer, President of the Mount Joy Board of Trade, makes the following appeal to the citizens of Mount Joy and surrounding community.

The fourth milestone in our community exhibit history under the auspices of our Board of Trade has been reached. Will we carry long enough to hark back, to refresh in our minds the occasions of one and two years ago?

These annual functions are your functions; the Board of Trade cannot make them a success without your hearty co-operation. Can we not depend upon you on this occasion as in the past?

May we all put forth a special effort to make this year's exhibit the best ever; an occasion long to be remembered. The committee in charge is at your service for suggestions or any information desired.

Bring your product from the home, farm, school, factory, etc.; the committee will assign space for the exhibit of your wares.

The officers in charge of the exhibit this year are:

H. E. HAUER, Chairman
ROY B. SHEETZ, Treasurer
N. E. GARBER, Secretary

H. H. EBY, Superintendent

In next Wednesday's Bulletin we will publish the entire premium list of the exhibit.

The booklets containing the premium list will be ready for distribution in a few days.

Had a Good Sale. The personal property of the late Louisa Frank was sold at public sale here last Saturday afternoon. There was a good attendance at the sale and bidding on many articles was quite spirited. Two chairs of Louis RV style, brought \$88 each and were bought by Mrs. Missemer, of Manheim. Another small musical chair was bought by Mr. Willis Weidman, of Florin, for \$20. Mr. C. S. Frank called the sale.

Marriage Licenses. Earl J. Landis, Marietta, and Edith M. Flanagan, Columbia, Charles E. Thomas and Mabel W. Gochnauer, both of Mount Joy, Miss Marguerita B. Hoover, of Lancaster, and John R. Kimer, of Manheim, were married Saturday evening.

State Fails to Map a New Route

PROPOSED CHANGES IN THE MANHEIM-HULL'S TAVERN ROAD HAVE NOT AS YET BEEN RECEIVED

No intimation has been given by officials of the State Highway Department as to proposed changes or re-locating in the highway between Manheim and Hull's Tavern, which is now under construction.

Two miles of the new road from Manheim north have been completed and operations have been started at the Lebanon county end by the Lancaster county. Lancaster county will have to pay damages for any re-locations, but to date, have not received the blueprints of proposed changes which the department usually furnishes.

Two routes have been marked by the department. They are the present route through Elstonsville, and one around the western end of the Rapho township village, which would eliminate crossing the Chickies creek. Should the latter route be selected the county would be called upon to pay heavy damages as the right of way would go through several miles of farmland.

Efforts to communicate with V. Warren, assistant advisory township engineer, of the State Department to inquire about the attitude of the department were unavailing. All employees were sent home until Tuesday because that part of the capitol was without heat. The recent explosion of the boiler in the capitol has crippled the heating system.

Taken To County Jail. Harry Sprout, a young man of Mount Joy, was arrested by Officers Shields and Hicks, by Abram Schaffner a farmer, of near Mount Joy, for forging a check for fifteen dollars. He will be given a hearing before Squire Hicks in the Mount Joy National Bank.

Will Hold Rally Day. The United Brethren Sunday School will hold Rally Day Sunday at 9:00. There will be an address by Rev. P. B. Gibble, pastor of First U. B. Church, Palmyra, who will also preach the morning sermon.

Removed to Hospital. Mrs. John McGinnis, on East Main street, was removed to the General Hospital at Lancaster, for treatment.

Mr. M. N. Brubaker Was 90 on Sunday

OUR WELL KNOWN TOWNSMAN RECEIVED CONGRATULATIONS OF A HOST OF FRIENDS

On Sunday, October 11, it was exactly ninety years that our well known townsman, Mr. Martin N. Brubaker, on East Main street, first saw the light of day. He was showered with congratulations, written and verbally.

M. N. BRUBAKER.

Mr. Brubaker is enjoying fairly good health, and is about daily conversing with his friends, but his sight is not quite as good as it was twenty years ago.

He is one of our oldest and best known citizens. For many years, he was engaged as a surveyor and notary public. He has written a large number of deeds and wills and other public papers. He was born October 11, 1835 in Elizabethtown, and is the son of Samuel and Martha Brubaker, of near Mount Joy, who moved from Elizabethtown to this place in 1836.

Mr. Brubaker received his early education in the schools of Mount Joy, including a course at the Mt. Joy Academy, which was afterwards used as an orphan school. He attended the Beck Academy, at Lititz for some time and in 1854 learned surveying with Isaac Hoffer, at Elizabethtown, which profession he followed for sixty years.

He uses one of the first typewriters ever made, a Remington make, purchased in 1890. He is a man who has always enjoyed perfect health and he was never sick in bed a day in his entire life. He is a member of the Presbyterian church of Mt. Joy.

We are indebted to the Lancaster Daily News Era for the use of the accompanying illustration.

According to custom the garments contributed will be placed on display at this time. It is especially desired by the Directors that the general public attend this meeting and thus become acquainted with the work of the guild.

A speaker from the National Headquarters has been secured for the evening session.

It will be remembered that 602 garments were collected by this Branch last year, of which number 238 were distributed in Mount Joy and vicinity.

THE AUTHORITIES PROBE THE DEATH OF A CHILD

Raymond Heiges, nine months old son of Mr. and Mrs. John Heiges, died after several weeks' illness at the home of his parents, two miles west of Marietta, Thursday night, while not under a physician's care, according to Deputy Coroner Fryberger, Marietta. An inquest was held yesterday and Dr. T. E. Ingram, the coroner's physician, pronounced death due to cholera infantum.

The child had been sick for several weeks and it is stated that the last time medical aid was administered was by Dr. G. A. Harter, of Mount Joy, two weeks ago. Dr. Ingram also found evidence of under-nourishment and further investigations are being made.

Get Your Orders In Early. The "We Sisters" Class of the U. B. STATE MAY ERECT HOME NEAR ELIZABETHTOWN

Elizabethtown may be chosen as the site of a State institution for defective and orphan children, according to recent reports.

Last week State engineers made a survey of the W. A. Withers farm and several adjoining tracts north of that borough preparatory to submitting a report to officials as to the elevations, water supply, woodland and other natural advantages.

The W. A. Withers farm alone contains over 200 acres of land and has an abundant supply of spring water. In addition there is a large acreage of woodland which could be converted into parks and the elevations are such that ample sanitary drainage could be obtained with a small outlay of money.

According to information the institution would be a large plant costing a million or more dollars.

Organization In Need of Funds

OUR LOCAL BENEVOLENT SOCIETY SOCIETY FINANCIAL ASSISTANCE FROM THE CITIZENS OF OUR BORO

The following is a copy of the letter sent out by the Benevolent Society of Mt. Joy to our business and professional citizens. Also to quite a few persons whom it has reasons to believe are very interested in the work done by the Society.

The Benevolent Society of Mt. Joy is comprised of about 35 members—some more active than others but very interested in the work done by the Society.

The Benevolent Society has always had to work with very limited funds. The source of income being the dues from the members, the Thanksgiving collection and a few donations. At the present time the treasury is empty. We would not have been able to take care of a very needy case recently—but for the donation from the Chautauqua Association. Let us explain just what we have been doing: There have been quite a few cases every year where sickness has made things difficult in a family—where we have helped with a couple baskets of groceries, milk, bread, etc. These little boosts have been appreciated but not abused. We have helped get a pair of shoes here and a pair of shoes soled there, enabling children to attend school.

With the aid of the Needlework Guild, we have been able to place garments in an emergency, buying what the Guild do not have, to supply.

Thanksgiving and Christmas about twelve to fifteen baskets are sent out. part of the contents are donated and the balance bought by the Society.

Every case is investigated before help is given. Only a very, very small percentage have been found not worthy.

When there is a drive made in Mt. Joy for any week, we always go over the top. Do you realize this is the first request made for welfare work for our own community?

With the aid of us replenish our treasury? The winter is soon here and we need help to put us in a position to help help.

Will you mail a check to Mrs. Emma Manning, Treasurer? One of the undersigned officers will call between October 20 and October 24 on those who have not responded.

If you can't thank you for your careful and thoughtful consideration.

The Benevolent Society REBECCA HOFFER, Pres. E. E. BOYD, Secy. E. C. MANNING, Treas.

Patrons of Inn Seized in a Raid

MORE THAN THIRTY ARRESTED BY THE STATE POLICE AT ROAD HOUSE NEAR LANDISVILLE.

Two women and a man are lodged in the county prison and charges are pending against thirty or more patrons of "Fumble Inn", a combination restaurant and gasoline station along the Harrisburg pike, a short distance east of Landisville, the result of a raid conducted by the State Police on Saturday night.

The proprietor, I. "Itzky" Miller, is being held on charges of possessing and selling intoxicating liquors and the women are being detained for examination by a State physician.

Included in the raiding party was Corporal Strohm and Private Powell, of the Manheim barracks, and Constables Paul Myers and Ed. Rogers. Armed with search warrants issued by Squire Danner on affidavits of residents of Landisville and neighborhood, they entered the roadhouse at 1:30 o'clock.

A search failed to reveal any intoxicating liquors, but three slot machines were seized. The police, however, declare that they have sufficient evidence and testimony that "buys" have been made from Miller.

The patrons numbering more than thirty persons, were conveyed to the office of Justice of the Peace Danner at Manheim. Eight charges of disorderly conduct were sworn out before midnight ended proceedings. Additional arrests may follow.
