The Produce and Live Stock Market

CORRECT INFORMATION FURNISHED WEEKLY BY THE PENNA. BUREAU OF MARKETS FOR THE BULLETIN

Market: Under diminished receipts and a lack of choice offerings, practically all grades killing stock made a sharp upturn during the past week. Compared with week ago beef steers strong 25c to 40c higher, spots up more, today's top \$10.50, average weight 1150 pounds, bulk of sales \$8.25 to \$9.00. Fat heifers showing maximum advance. Bulls and cows, firm to 25c higher. Stockers and Feeders strong to 25c higher, yards well cleaned, improved demand for better grades, most sales \$6.50 to 8.25. Calves closing steady, top wealers \$14.00.

RECEIPTS: for today's market: Cattle twenty four cars: 11 Chicago; 4 Canada; 4 Pennsylvania; 2 St. Paul; containing 624 head 446 hogs.

Receipts for week ending Nov. 14, 1925: Cattle 183 cars: 49 Chicago; 42 St. Paul; 33 Virginia; 13 Canada; 7 Penna.; 6 West Va.; 5 St. Louis; 5 New York; 4 Ohio; 3 Kansas City; 3 Buffalo; 3 Maryland; 3 Indiana; 2 Tennessee; 2 Kentucky; 1 Pittsburgh; 1 North Carolina; 1 Michigan, containing 5271 head, 165 calves, 1938 hogs, 40 sheep.

Compared with previous week: Cattle 283 cars; containing 8261 head; 219 calves; 2025 hogs.

Fruit and Vegetables
The Philadelphia potato market closed firm with a slightly better feeling after a week of declining prices, according to the State and Federal Bureau of Markets. Pennsylvania round whites sold at \$6.00 to \$6.50 per 150 pound sack on Monday and most sales were made at \$5.50 today.

Apples continued to sell slowly, although some fancy stock brought higher prices today. Offerings of onions have been generally liberal and the market dull. Pennsylvania mushrooms showed a wide range in quality and moved slowly during the early part of the week, but strengthened toward the close. Florida vegetables are coming into the market in larger quantities as the supplies of nearby vegetables fall off. Florida string beans have been arriving in poor condition and export plants showed a wide range in quality. Offerings of New York grapes are falling off rapidly.

Potato Situation
The quantity of potatoes yet to be marketed this season seems likely to be less than usual, in proportion to the production in the late potato States. This is particularly true in some important producing sections, such as New York where many late potatoes harvested were showing injury from blight or field frost by Nov. 1st.

The Philadelphia potato market was weak today, and prices declined slightly. Offerings were more liberal and the demand continued slow. Pennsylvania round whites sold at \$5.25 to \$5.50 per 150 pound sack.

Offerings of apples did not clean up as there were hardly any sales to establish a market. Offerings were very slow and offerings were limited. String beans were more plentiful and the markets steady. Mushrooms were a little stronger. Sweet potatoes sold at a wide range in prices due to the quality and condition.

Turkey Supplies Liberal
Receipts of both live and dressed turkeys are fairly liberal on the Philadelphia market and the demand is rather light, according to the State and Federal Bureau of Markets. There are some small lots of nearby live turkeys but the bulk of this stock is coming from Virginia, while most of the dressed stock is coming from the West. Dealers expect that supplies will be heavier next week and that the market will show greater activity.

Wheat Feeds Firm
Wheat feeds are firm with the demand generally firm. Prices for gluten feed and hominy feed are steady and the demand for these feeds about equals the offerings. Lined meal was slightly easier and cotton seed meal is neglected, although prices are held firm by the mills, resellers appear well supplied and some are shading prices for transit stuff. Stocks of cottonseed at mills are heavy.

Hear Testimony On Land Damages

(From Page One)
upon to pay any damages the board of viewers may fix and the court approves.

The new road built by the State Highway Department and county, known as the Watts Station project, passed through the properties of Colonel Duffy and the J. E. Baker Company.

Col. Duffy claims his property contained 8.48 acres before the new road was built through it. The building of the road which runs 732 feet in length through the front yard of the property, took approximately an acre of land. A tract of two acres was cut off from the rest of the property by the road.

CHANCE FOR RADIO BUILDER TO WIN FIFTY DOLLARS

Has Lancaster county a boy radio genius. Well, here is a chance to find out. If there is a boy in this county who builds his own radio set, he has now an opportunity to vie with the other youthful students of radio in winning fame and money through a competition conducted in connection with the Chicago Radio Show to be held in the Coliseum, November 17 to 22.

With the idea of getting the best ideas in radio and to encourage the youth of the nation to use their ingenuity and technical knowledge to produce something new, the Stewart Warner Speedometer Corporation, one of the country's largest manufacturers of radio sets announced today that a prize of fifty dollars would be awarded to the boy who is the constructor of the best "home made" radio set submitted. The products of the minds of the boy radio builders should be sent to the Chicago Radio Show, Coliseum, Chicago where a committee of experts will examine the sets of the young radio wizards and select the winner of the contest.

COUNTY FIREMEN MEET AT MANHEIM, NOV. 27

The Lancaster County Firemen's Association will hold its November meeting in the hall of Hope Fire Company in Manheim, on Friday, evening, November 27. A speaker, prominent in the work of volunteer fire fighting will be present to address the members and action will be taken on vital subjects of the organization.

The annual meeting of June, 1926, which was to have been held in Elizabethtown, has been regretfully abandoned by the Elizabethtown Fire Company and a new meeting place will be selected by the executive committee. Plans will be started for the second annual banquet to be held about January and indications point to it being the largest affair to be held in the eastern section of Pennsylvania Fire Association.

Last year's banquet, held in the Stevens House, was noted for the prominent speakers of Lancaster and various cities of Pennsylvania, who addressed over 300 gathered for the occasion. The banquet and entertainment committee to have charge of the annual affairs is composed of Frank H. Dean, chairman; Claude A. Ville, Jonas H. Nissley, Paul Z. Knier and D. Atlee Groff.

MAYTOWN TOBACCO MAN ACTIVE IN OLD AGE
A. L. Risser is about the most active man in this section of the county and does not believe in getting old. Mr. Risser is past seventy years of age, and still actively engaged in the tobacco business. He ships his goods to many parts of the state, especially in the coal regions.

Mr. Risser has a farm in East Donegal township, that is tenanted by Abram Shaffner, and he makes almost daily trips there, and oft times engages in the work of assisting his farmer to get the crops to the barn in good time.

Mr. Risser was some years ago going to retire from active life, but decided that he should not last long if he were to "sit" around, so finally decided to stay at it for an indefinite period. He says that too many men and even women give up and are too lazy, and this will kill more people, than work.

Mr. Risser is a director of the Maytown National Bank. He drives an automobile and is about the oldest driver in Maytown. He has one of the first automobiles, and still owns the first car he purchased. It is sort of a novelty.

A NEFFSVILLE WOMAN WRECKES HER HOME

Kettles, clocks, shoes and pieces of broken furniture were implements of destruction used by Mrs. Frank Groff, aged 40, of Neffsville, to wreck her home Sunday morning at 9 o'clock.

Raving mad, Mrs. Groff beat her son, Merne Kuhns, with a shoe, and cornered her husband in a room for six hours, until he was relieved by Constable Steigerwalt and Humane Officer Harry Martzall, of Lancaster.

The house was a wreck, when Mrs. Groff was finally coerced away by Constable Steigerwalt, and the lawn was a litter of clothing, kettles, household furnishings thrown through the upstairs window by Mrs. Groff, while every window in the second story was broken.

Merne Kuhns, a son by a former marriage, appeared at the Lancaster police station, crying, with his head cut open, and a story that his mother was fighting his father at his home at Neffsville.

The constable then went to her home, arrested Mrs. Groff, and lodged her in the county jail to await a hearing.
