Rifle Inventions
The flint-lock rifle was invented in France in the year 1640. The percussion-lock rifle was patented by a Scotch clergyman named Alexander Forsyth in 1807, and had been adopted everywhere by 1820.
One Explanation
A philosopher says that every failure is a step toward success. This explains why some men become richer every time they fail.

IS EVERY DAY A BACKACHE DAY?
Mount Joy Folks Have Found the Cause and Corrected It

Is your back lame and achy? Are you tortured with sharp, rheumatic pains; miserable with headaches, dizzy spells and kidney irregularities? No wonder, you feel worn-out and discouraged. But have you given any thought to your kidneys? You should! Weak kidneys cause just such troubles. Don't risk neglect! Use Doan's Pills—a stimulant directed to the kidneys. Here's a Mount Joy case.
Mrs. Mary Shiers, 27 Mount Joy St., says: "A cold settled on my kidneys and when I started to work my back ached. The trouble became so severe I couldn't lift anything. My nerves were in bad shape. Dizziness bothered me, too, and my kidneys were disordered. I bought a supply of Doan's Pills at Garber's Drug Store and they put my kidneys in good condition. The backache and other troubles were corrected."
