TO WOMEN WHOSE HOMES ARE WITHOUT ELECTRICITY

The MAYTAG Multi-Motor is the only washing machine operated by its own built-in Gasoline Engine.

Now every home in town or country can have the same convenience as homes where an electric washer can be used.

The MAYTAG Multi-Motor washer is easily moved about. Starts with a flip of the foot lever. Costs only a few cents for gasoline to do a big wash.

The MAYTAG washes faster, cleaner and has largest hourly capacity of any washer in the world. Has cast aluminum tub—cannot warp, rot, swell, split or corrode. Tub cleans itself while emptying, easily adjusted to your height. All metal wringer—self adjusting, instant tension release.

EASY TERMS

Write or phone for FREE HOME DEMONSTRATION.
