

Tobacco Muslin

—FOR—
Seed Beds

Finished in 1, 6 or 9 ft. widths, wide enough to cover the usual tobacco beds without home sewing, good in quality and the price is right.

I handle the well known Cannon Tobacco Cloth. It is reinforced thruout and has a wide selvaged edge for holding the seams and fastening to the outside edges of the frames.

See this cloth before you buy.

The Produce and Live Stock Market

CORRECT INFORMATION FURNISHED WEEKLY BY THE PENNA. BUREAU OF MARKETS FOR THE BULLETIN

The first straight car of South Carolina asparagus arrived in Philadelphia today and met a fairly active demand. Prices were about in line with California stock. Warmer weather will now bring on the New Jersey asparagus with in the next few weeks.

The potato market has been active during the past week and Pennsylvania round whites topped the market on Saturday selling as high as \$9.25 per 150 pound sack. A few of the dealers were asking \$9.50 for fancy stock. The demand has been fairly active at the high price levels, although it slackened on Thursday and Friday. New potatoes also showed some improvement toward the close.

Pennsylvania mushrooms were in moderate supply during the past week but trading was slow. The competition with fresh vegetables appears to be affecting the demand. Supplies were liberal today and prices were forced downward to clean up the supplies.

Some Penna. rhubarb grown under glass has been appearing on the market during the week. The demand for this has been good and the market firm. Sweet potatoes showed a stronger tendency and there were slight price advances.

The first car of Louisiana strawberries arrived on the market during the week and the quality was good. Prices compared favorably with the Florida stock. Dandelion greens and scullions from nearby farms continued weak on account of the liberal supplies. Cabbage was in light demand at the close and weaker.

MARKET: After a dull draggy week, today's market showed considerable life, both beef steers and cows being in demand. Receipts mostly from nearby feed lots. Comparisons with week ago: Beef steers steady, quality improved, top heavies \$9.75, medium weights \$9.65, several lots \$9.25 to 9.50, bulk \$8.50-9.25. Bulls and heifers slow about steady. Butcher cows and canners fairly active; fully steady, bulk cows \$4.25 to \$5.25. Calves steady with Friday's market or 50c lower for week top vealers \$14.50.

HOGS: Inactive, no receipts arriving since Monday.

RECEIPTS: For today's market: Cattle two cars from Penna., containing 52 head, 358 head trucked in from nearby farms, total 410 head. Receipts for week ending April 10, 1926: Cattle, twelve cars: 10 from Penna., 1 St. Pa.; 1 Indiana, containing 285 head; 786 head trucked in, total cattle 1071 head; 13 calves; 212 hogs; 157 sheep. Compared with previous week: Cattle 24 cars, containing 562 head, 773 head trucked in, total cattle 1335 head; 35 calves, 338 hogs.

WORK WEARING YOU OUT?

Mount Joy Folks Find a Bad Back a Heavy Handicap.

Is your work wearing you out? Are you tortured with throbbing backache, feel tired, weak and discouraged? Then look to your kidneys! Many occupations tend to weaken the kidneys. Constant backache, headaches, dizziness and rheumatic pains are the result. You suffer annoying bladder irregularities, feel nervous, irritable and worn out. Don't wait! Use Doan's Pills—a stimulant diuretic to the kidneys. Workers everywhere recommend Doan's. Here's a Mt. Joy case:

Mrs. Katie Barto, 208 E. Donegal St., says: "My kidneys were out of order and acted too freely. I had pains in the small of my back whenever I stooped to lift anything and it was hard to do my housework. Spots came before my eyes and everything whirled about me. I tried Doan's Pills and several boxes benefited me."
