Hoffman said he also lifted a note of P. R. Hoffman for \$105. There remained after these disbursements \$1,290.66 in cash in the hands of his mother, and the balance to make up the \$9,000 would be \$931.76, which he said must have gone for personal, traveling and household expenses, otherwise he would have a record of it.

Hoffman is an officer of the Peoples Bank of Maytown. This bank is in the process of liquidating its business since last September and was recently taken over by State Banking Department. One of the duties which Hoffman performed when the bank started liquidating was to obtain a list of certificates of deposit that were coming due and make provisions to pay them. The above certificates are those he took care of.

Another statement was furnished by Hoffman relative to the origin of funds he used since May 17, the date of his bankruptcy, to purchase certificates at the Peoples Bank of Maytown as they fell due.

Hoffman said he borrowed about \$5,000 from his brother-in-law, Dr. T. E. Schott, of Allentown, and used \$3,280.49 of it for that purpose. The remainder was returned to Dr. Schott.

The certificates or obligations of the bank purchased for Schott's account are: W. Z. Hoffman's account as tax collector of East Donegal School District, \$2,416.80; certificates of Ann B. Sweigart, \$364.64; F. F. Frank, \$52.50 and \$105; John H. Fry, \$138.35; D. H. McCool, \$98.20, and E. H. Hoffman, \$105.

This concluded Hoffman's testimony, whereupon the Trustee's Attorney E. J. Myers gave notice to the referee that the trustees propose to present a petition asking the referee for an order on Mrs. Ida R. Hoffman to return to the trustees the certificates and money on hand, gotten originally from the C. E. Bair and Sons' check. Attorney S. V. Hosterman, counsel for Mrs. Hoffman, accepted notice that if Mrs. Hoffman disposed of any of this property, she did so at her peril.

Michael R. Hoffman, Sr., gave a statement of the financial condition of the Smaltz Tobacco Company, of Womelsdorf, in which he is a stock holder. This company is reported to be in good financial standing.

A hearing on the reclamation petition of Otis A. Gill and Company, Pittsburgh, for 14 cases of tobacco, valued at \$600, in the Hoffman warehouse, will be held for the referee in his office next Friday morning at ten o'clock.

New York police are now provided with pistols capable of cutting a clean hole through the body of a motor car going sixty miles an hour.

part of March by the Hoffman Leaf Tobacco Company from C. E. Bair and Sons, Cigar Manufacturers, of Harrisburg, for \$22,081.34, for tobacco. When M. R. Hoffman Sr. received this check he endorsed it and gave it to his wife, Mrs. Ida R. Hoffman. She in turn loaned \$11,000 of it to Dr. E. S. Snyder, who used it in paying off a note at the First National Bank of Marietta for Michael R., Sr. The balance of \$11,000 she used to purchase certificates of deposit, one at the Union Trust Company for \$9,078.10, and two at the Peoples Bank of Maytown, each for about \$2,400.

These three certificates Mrs. Hoffman gave to her son, Michael R. Jr. At previous hearings Michael Jr. testified that he cashed the \$9,000 certificate at the Union Trust Company and used the money for personal, traveling and household expenses, and to purchase certificates of deposit of the Peoples Bank of Maytown. Nine certificates thus purchased, together with the two gotten from his mother, were taken to Philadelphia, to be negotiated or sold by Mr. Marx, the Hoffman's certified accountant. None of them, however, was sold or negotiated, and Hoffman brought them back from Philadelphia on Thursday and returned them to his mother who is now in possession of them.

As the Bair check for \$22,000, which made possible these transactions, was received by the Hoffmans within the four month period preceding the bankruptcy, and therefore illegal, the trustees are seeking to recover it, or such sums of it as are considered recoverable.

For that reason Hoffman was ordered to explain what became of the \$11,000 he got. The other \$11,000 loaned to Dr. E. S. Snyder has been recovered, the physician having turned over to the trustees a certified check for that amount.

Hoffman, by way of explanation, said he used only the \$9,000 certificate, returning the other two certificates of the Peoples Bank of Maytown to his mother, who now has them. They are No. 4128, issued to Amanda L. Brubaker, for \$2,412.26, and No. 4129, issued to Lizzie O. Oberholzer, for \$2,415.74.

Out of the \$9,000 cash from the Union Trust Company certificate he purchased directly, or furnished the cash to Cashier Taggart for their purchase, the following certificates of the Peoples Bank of Maytown:

4180, John H. Shenk, \$109.20; 4194, M. H. Grove, \$1,155; 4159, Mary Albright, \$210.55; 4217, Mumma and Newpher, \$1,097.40; George F. Shisler, \$2,100; 4107, Mary H. Geer, \$632.50; 4191, P. H. Grove, \$625; 4196, Lizzie S. Risser, \$603.75; 4200, M. J. Gabie, \$347.28.

Hoffman said he also lifted a note of P. R. Hoffman for \$105. There remained after these disbursements \$1,290.66 in cash in the hands of his mother, and the balance to make up the \$9,000 would be \$931.76, which he said must have gone for personal, traveling and household expenses, otherwise he would have a record of it.
