HOW ARE YOUR SHOES? DON'T WAIT TOO LONG BRING THEM IN Shoe

WEEKLY LETTER WRITTEN EX-PRESSLY FOR THE BULLETIN BY DR. DAVID H. REEDER

Home Health Club

Protesting:-It is claimed by adanced thinkers, and I agree, that all progress of humanity is the re-

sult of discontent. There is a vast difference between discontented people and dissatisfied people. The former may be, and usually are, quite happy and try their best to make others happy, while the dissatisfied people are no only most miserable but they have a way of making everyone around

them unhappy.

One of the outstanding characters of discontent in the world today is Bernard MacFadden, the Editor and Publisher of Physical Cult-

Triumphs of Genius Had our farmers employed the same methods of sowing and har-

vesting 1926 wheat as were used 100 years ago, it would have required the labor of our 115 million people for 9 months, and the labor of 50 million people in addition. By modern methods, the great crop was owed and harvested by 3 or 4 milion farmers in a few months. Statistics also show that our railthe great commerce of 1926 as

oads used same methods of moving were used, but 20 years ago, cost to producers, shippers and consumers would be 350 per cent greater, and ecause of shortage of cars and lack of facilities, much of it would still e unmoved in the warehouses or otting in the field.

Just as our farmers met the sitation by using modern methods and machinery, so our railroads met by providing additional facilities, including larger engines and cars to
