Three Young Men In Auto Attacked

UNIDENTIFIED MAN FIRES SEVERAL SHOTS AT AUTO TRAVELING NEAR ELIZABETHTOWN THURSDAY NIGHT

Three young men of Bellaire, near Elizabethtown, narrowly missed possible death Thursday evening on a road between Elizabethtown and Manheim when they were shot by an unidentified man.

The three men, one whose name is Mr. Kaylor, were returning from a painting job on a farm on the Manheim road.

Kaylor stated to Chief of Police R. H. Pastorious of Elizabethtown, after hurriedly driving there from the scene of the shooting, that while passing the Hite Farm a man stepped out in the road with a shotgun and fired several shots in the air.

The men in the car refused to stop and the man emptied several shot-gun loads into the rear of the car. The shots penetrated the license plate and broke the tail-light. The back of the car was also punctured with small shot.

After hearing their story, Chief of Police Pastorious, of Elizabethtown, accompanied by the men, returned to the scene of the shooting but could find no trace of a man with the gun.

Pastorious inquired of Mr. Hite whether he had seen anyone about his place with a gun. He replied that he had not but did remember seeing an automobile pass his farm about the time the shooting occurred.

Big Institution Now Being Built

STATE HOSPITAL FOR CRIPPLED CHILDREN, AT ELIZABETHTOWN, WILL COST \$7,000,000.00

Work on the new state hospital for crippled children in Elizabethtown is taking shape.

Construction on the first unit of the proposed enormous institution is well advanced.

Seven millions of dollars will be spent and from ten to fifteen years will be required to complete the enormous institution that will house, when completed, 700 children.

Persons hardly realize what a giant project is under way at this place. Just at present and during the next few years, five units will be in the course of construction and those units are only a small part of the hospital which the project will be when completed.

When plans for the hospital were first announced, it was said that the amount would run something over a million dollars. Plans were later (Turn to Page Six)

Oldest Mennonite Church In County

LOG MEETING HOUSE ERECTED AT LANDISVILLE IN 1752 HAS THAT PROUD DISTINCTION

The oldest Mennonite Meeting House in the county stands near the Landisville Camp grounds. The little log house, still in a fine state of preservation, was built in 1752. When the meeting house was built, provisions were made for a part of the building to contain living quarters for a fatherless family. For many years this original plan was followed, but in later years an elderly couple occupied the rooms. The tenants acted as caretakers of the building. Due to the growth of the congregation, a new brick building was erected on the church property in 1912 and the old meeting house was turned into a residence. At present it is occupied by Mrs. Amos Sener and two sons.

Jacob Greider, born in Landisville 92 years ago, has been a deacon of the Landisville Mennonite congregation for the last 44 years. (Turn to Page 2.)

MR. ARTHUR D. GARBER POSTMASTER AT FLORIN

The appointment of a postmaster at Florin to succeed the late Ephraim Heiner has been delayed owing to the fact that the United States Civil Service Commission was able to certify only two eligibles to the Post Office Department instead of three as is usual.

The two eligibles certified to the Postmaster General are Arthur D. Garber and Miss Mary E. Shaeffer. Mr. Garber is certified as eligible No. 1, having an average of 84.70 and Miss Shaeffer is certified as eligible No. 2, having an average of 80.70. The Postmaster General has decided to give the appointment to the candidate having the highest average and therefore Mr. Garber's appointment will be made during the next few days.

Mrs. Ida Heiner, widow of the late postmaster, has been serving since the death of her husband. Miss Mary E. Shaeffer was her assistant. The above information was sent out from Washington, D. C., last Wednesday.

WILL THE LOAN BE SANCTIONED IS A QUESTION?

Maytown, Lincoln and Springville. A new loan of \$75,000 will be voted on. Lad, 18, The Victim Of Brutal Attack

JAMES JOHNSTIN, OF MAYTOWN, BEATEN INTO INSSENSIBILITY—BODY FOUND NEAR GARAGE

Lying unconscious for more than one hour, James Johnstin, 18 years old, son of Mr. and Mrs. Thomas Johnstin, of Maytown, was found last Wednesday morning at 12:15 o'clock near his garage by neighbors.

The young man was the victim of one of the most brutal attacks occurring in this vicinity for some time. His condition is reported as not being serious.

Johnstin, with Samuel Engle, of Maytown, was visiting friends in Marietta. According to Engle, the boys had arrived at Maytown shortly before 11 o'clock. Engle left the Johnstin automobile at his home and the latter took his car to his garage, at the rear of his home.

After putting the car away, Johnstin was in the act of closing the doors when he was attacked from the rear and beaten over the head with a club. He was knocked unconscious and robbed of about \$4 all the money he possessed at that time.

Neighbors hearing his moans found him about 12:15 o'clock lying near the entrance of his garage. Near at hand was found the club, covered with blood-stains. The boy suffered deep lacerations of the head.

The young man was picked up, taken into the house and treated by Dr. George Harter, of Maytown. He only regained consciousness next morning about 9 o'clock. He is unable to remember anything that happened after he was attacked.

Johnstin works for his father a tobacco grower in Maytown. That day the Johnstins sold a large quantity of tobacco and it is believed that a person who knew this attacked the boy, thinking he was carrying this money with him. State Trooper Ibbotson, of Manheim, is investigating the case.

The present two-cent levy is made permanent by the new act and the third cent is temporary, to be in force for the next two years or until funds can be made available for new roads out of the third \$50,000,000 bond issue now in the process of passage. Fiscal officers have estimated the increased tax will give the State \$7,000,000 a year in additional revenue.

Further Hearing In Hoffman Case

MRS. HOFFMAN UNABLE TO ATTEND—A NUMBER OF WITNESSES IN THE CASE ARE HEARD

Hearing in the bankruptcy proceedings of the Hoffman Leaf Tobacco Company were resumed last Wednesday morning in Court Room No. 2. It was expected that Mrs. Ida R. Hoffman, wife of M. R. Hoffman, Sr., would be present to testify. She did not appear as a physician's certificate was presented in which it was stated she was unable to be present owing to her physical condition. As a result the Referee in Bankruptcy, Redmond Conynham, in response to a petition by B. J. Myers, one of the attorneys for the trustees in bankruptcy, issued an order directed to Dr. T. E. Ingram, of Marietta, to examine Mrs. Hoffman and report her condition to the referee at 3 o'clock that afternoon. The order was given to Constable P. J. Bauer. If she is able to appear, she will be subpoenaed again.

When the hearing was resumed that morning the attorneys called for Mrs. Hoffman, when S. V. Hosterman, representing her, presented a signed certificate from Dr. G. A. Harter, of Maytown, which stated she was suffering from a nervous breakdown and that she would be unable to appear at the hearing or any other session.

This was not satisfactory to the counsel for the trustees. They asked that the order for her examination and appearance at the hearing be issued.

The examining of witnesses then (Turn to page eight.)
