### The New Auto Code Is Effective Jan. 1st

PROVIDES THAT CARS ENTER-ING MAIN THOROFARE FROM SIDE STREETS MUST COME TO A FULL STOP

Motorists are urged by the Lancaster Automobile Club to acquaint themselves now with the provisions of the new State Vehicle Code, which becomes effective January 1, Many new regulations are included in this code and it is the duty of every owner and driver of a car, officials of the Auto club state, to know about the new regulations and to begin practicing some of them. There is one, of course, that must not be practiced until the new code goes into effect, and that is the clause which increases the speed limit from 30 to 35 miles per hour on the open highways and from 15 to 20 miles per hour elsewhere except in school zones.

Another important provision is main thoroughfares from cross streets to come to a full stop before moving onto the main thoroughfare This practice is considered a great safeguard.
