## ANNOUNCING A Wonderful New Line of Perfection Oil Cook Stoves

New Stoves with Double Wall Chimneys Light Colors-Porcelain Finish

Snow-white! Silver-gray! Dove-gray! These are the popular new kitchen colors, and most appropriate they are for Perfections—the world's cleanest oil stoves.

Beautiful! Beyond comparison! But the modern home-manager desires more than beauty. She deserves modern conveniences—labor-savers, Beauty and convenience are ideally combined in these new Perfections—they are the personification of "the thing of beauty that is a joy forever." They are lifetime stoves. Many Perfections now in use were handed down from generation to generation.

Why not enjoy a really modern oil stove? Discarding an old stove for one of these latest, more convenient and more attractive Perfections is not wasteful, it is an economy, a permanent investment that will pay liberal dividends in the form of greater leisure, a saving of unnecessary menial work.

Cooking tops, sliding trays under burners, backs of warming cabinets and the burner chimneys of these new stoves are genuine porcelain—the glass-like surface that is so easy to keep clean and lasts a lifetime.
