### There is no Performance like Chrysler "72" Performance

#### Demonstration Will Prove it to You

There is a new performance sweeping the land—Chrysler "72" performance—obsoleting everything in its field today as completely as did the first Chrysler four years ago.

75 horsepower from an engine of surprisingly small size for such capabilities, through Chrysler's special genius in design and precision manufacturing.

72 miles and more an hour—now made still more smoothly, more easily because of the counterweighted 7-bearing crankshaft.

In traffic, it whisks to the fore in a way that out-Chryslers even Chrysler. Mountain grades literally melt before it.

You owe it to yourself to know this superb Chrysler performance. A demonstration entails no other obligation.

New Chrysler "Red-Head" Engine—designed to take full advantage of high-compression gas, giving 12% greater torque with greater speed, power and hill-climbing ability; standard equip-

ment on all body models of the \$12 h. p. Imperial "80," also standard on the roadsters, and available at slight extra cost for other body types, of the "62" and "72."

**Illustrative New Chrysler "72" — Two-passenger Coupe (with rumble seat), \$1545; Royal Sedan, \$1595; Sport Roadster (with rumble seat), \$1595; Four-passenger Coupe, \$1595; Town Sedan, \$1695; Convertible Coupe (with rumble seat), \$1745; Crown Sedan, \$1795.**

All prices f. o. b. Detroit, subject to current Federal excise tax. Chrysler dealers are in position to extend the convenience of time payments.

**Choose Good Soil for Potatoes**  
Plant potatoes this spring on well-drained soil of good fertility. An open soil, such as a shaley or gravelly loam, is preferable to a heavy clay soil and produces cleaner potatoes of better shape

and usually of better quality. Plenty of organic matter is highly desirable because it helps hold moisture and on the heavier soils has a desirable loosening effect.

### PARENT-TEACHER BODY HOLDS SPELLING BEE

The Parent-Teachers' Association of East Donegal township held a spelling bee in the band hall, at Maytown. C. C. Keiser, president of the association presided. There were five spelling classes. The first, for first and second grades of the township, was taught by Mrs. Flora Shireman. Three prizes were awarded as follows: First, John Hershey, Franklin school; second, Helen Brandt, Franklin school; third, Clyde Watts, Maytown school.

The second class was taught by Miss Irene Hensel and included pupils of the third and fourth grades of the township. Three prizes were awarded as follows: First, Jane Zillhart, Franklin school; second, Mable Moyer, Maytown school; third, Rhoda Kaufman, Maytown school.

The third class, including pupils of the fifth and sixth grades of the township, was taught by Miss Mary Keiser. Prizes were awarded as follows: First, Phil Sload, Maytown school; second, Elizabeth Wolgemuth, Union school; third, Elizabeth Ney, Maytown school.

The fourth class was taught by Miss Grace Henderson and included pupils of the seventh and eighth grades of the township. Prizes were awarded as follows: First, Mary Engle, Maytown school; second, Benjamin Horst, Franklin school; third, Dorothy Mummaw, Maytown school.

The fifth class was open to all and was taught by Miss Verna Peck. Prizes were awarded as follows: First, Sara Hershey, Senior; second, Viola Strawsbaugh, Senior; third, Catherine Mummaw, Junior.

### LESS GAS TANKS ARE INSTALLED IN YEAR

The bureau of fire protection, Pennsylvania State Police, today reported that during 1927 there were 4911 approvals issued (exclusive of Philadelphia and Allegheny counties) covering 7129 tanks and pump or drawing off devices for the storage and handling of inflammable liquids. This was a decrease of approximately 500 as compared with the year 1926. Sixty-four per cent. of the total equipment approved in 1927, represented service tanks not exceeding 560 gallons capacity, and 243 tanks approved covered capacities between 10,500 and 30,000 gallons for bulk storage.

### Legion To Inspect New Hospital Site

(From Page One)  
Log huts would be erected and other necessary improvements made to the site for the purpose of caring only for veterans in the two counties.

It was the consensus of opinion that in this way the site would be most forcefully brought to the attention of the Federal government. Round Top is considered ideal for the purpose as it has altitude as well as climatic conditions suitable for the purpose.

It is located in York county, a short distance from Lincoln Highway, being easily accessible.

General E. C. Shannon, of Columbia, a prominent officer in the Pennsylvania National Guards, expressed the opinion that the Federal government would give the site serious consideration if the posts in this section push the project and erect a camp there.

**Facilities Inadequate**  
The present facilities for tuberculous patients in the State are hopelessly inadequate, it is said, and at least 400 veterans who should be in hospitals are unable to get there due to overcrowding.

The hospitals are called upon to care for so many cases that patients are turned away as soon as they show signs of improvement to make way for more serious cases. The result is that there are hundreds of veterans discharged from government hospitals who are still in the convalescence stage, it is said.

It was decided at the meeting to send delegates to the Perry Point, hospital to entertain inmates. The Lancaster drum and bugle corps will entertain on April 22, and the Manheim post will visit the institution on November 25.

The remainder of the Lancaster posts will go to the institution on August 19 and a committee consisting of Edgar Beck, George B. Kaylor and William A. Frew, was appointed to arrange a program to be given.

**To Raise \$10,000**  
The Lancaster county posts will raise \$10,000 as its share of the State fund for child welfare work, it was decided at the session.

Captain A. H. Rodgers, of Lancaster, addressed the meeting urging all present to stimulate interest in the Citizens' Military Training camps which will open this summer. He gave a detailed account of the activities at the camps and the benefits to be derived from attendance. All "rookies" this year will be sent to Fort Eustis, Virginia, for preliminary instructions, he said.

The meeting was presided over by District Commander Roy Sheetz, of this place, and was attended by approximately 65 representatives from all parts of the county.

**EVER NOTICE THE BACK OF YOUR NECK?**  
YOU can't tell how badly you need a haircut 'til just by looking in the mirror back of your head. This tells the story. That's why we say: "If you saw the back of your neck as often as the rest of the world does, you'd never forget that haircut every ten days."  
And here's a tip—the next time you get a haircut in our super-service shop, ask for application of Fitch's La Foom hair-dressing afterward. We know of nothing so excellent for training the hair to lie smooth and nothing else which increases its gloss so amazingly. How about doing it today?
