EDITORIAL
COMPARATIVELY SPEAKING
Asking an editor "who wrote that piece in the paper" is like asking a perfectly respectable married woman if that man she is living with is her husband and the father of her children.

P. T. BARNUM KNEW
Where an advertisement appears for the first time a man does not see it, the second time he notices it, the third time he reads it, the fourth time he thinks about it, the fifth time he speaks to his wife about it, the sixth or seventh time he is ready to purchase.

SPRING FEVER
Along in the spring a feeling of unrest comes over the indoor people. It is partly a tired kind of languor from the approach of warmer weather, but still more it may be a discontent with one's daily task or surroundings.

SPRINGS CONTAMINATED
Last week we made mention of the fact that four beautiful springs at the southeastern boundary limits, were the "dumping grounds" for the dye water from Geo. Brown's Sons' Cotton Mill here, and that too, after three appeals from the owner of the springs to the several heads of this firm, to kindly discontinue, all the appeals falling upon deaf ears.

"Air Baptism" Marked by Certificate Award
Paris—Certificates of "air baptism" are being given in France to encourage people to travel by air.

Cheaper Than Building
Do you want a dandy 6-room brick house, brick garage, all newly built on Donegal Springs road at less than it would cost to build it? If you do, see me at once. Can give possession any time. Jno. E. Schroll, Mt. Joy.

HOW TO MEET UNEMPLOYMENT
Officials in executive positions in state, federal, city, county and local governments could help greatly in taking up business depression and unemployment during a presidential year by speeding up plans for public work.

THE PRACTICAL HOME GAME
One of the most useful things, in the effort to build up fine towns and keep people contented there, particularly the young people, is to provide games and sports that will interest them.
