HOW I STOPPED GETTING UP AT NIGHT

MR. McCLOSKEY'S KIDNEYS FEEL FINE SINCE TAKING MATAMEL, CONTAINING SAP OF MEXICAN MATEMEL GUEY PLANT. NOT A DRUG. Looking hale and healthy once more, Mr. W. G. McCloskey, popular salesman, made a statement here today which should be read by every one of our readers troubled with certain forms of kidney or bladder disorder. "Until I discovered Matamel, I was forced to get up four and five times a night due to faulty kidney action. My limbs ached miserably and I just felt like 80 years old. I was always tired, had no appetite and suffered with indigestion. My back pained me something terrible. "I tried medicine after medicine, but nothing gave me the results I wanted. Then I read about Matamel—how it is a compound of the fresh sap of the Mexican Matemel Plant—how it has helped people I myself know. I am truly amazed at the fine results secured in my own case. I feel as though a load has been lifted off my shoulders—I sleep all night—wake up feeling strong and ready for a good day's work. I do not tire as easily as I did previously. My appetite is fine—bowels work regularly. I am glad to lend my name to such a remarkable health-product as Matamel." If your sleep is interrupted, if you have awful pains in back, arms, or legs, swellings, headaches, dizzy spells, and rheumatic pains due to faulty kidney elimination why not give Matamel a trial? For the benefit of local men and women so troubled Matamel is sold here by: W. D. Chandler & Co. MOUNT JOY, PA.
